Degree: Bachelor of Fine Arts Major: Studio Art www.mesastate.edu/schools/shss/fpa/art/

### About This Major . . .

Strong studio courses are offered in Drawing, Printmaking, Painting, Ceramics, Carving and Sculpture as a part of this major. Two unique opportunities exist in sculpture at Mesa State, through the bronze foundry program and offerings in marble carving. Students are required to have a senior exhibition before graduation that is judged by the Art Department faculty, and upon graduation they are prepared to pursue a career in studio art, as an artisan, a gallery owner/operator or continue their education in graduate studies in art.
