

About This Certificate

Students learn the fundamentals of electronics, starters, ignition, and charging systems; air conditioning, cooling and heating systems; safety; technical math; use of technical manuals; basic management skills; written and oral communication skills; and leadership. Advanced coursework includes an in-depth study of internal combustion engine disassembly, repair, reassembly, diagnosis and troubleshooting; suspension systems; and alignment and wheel balance.

POLICIES:

- It is your responsibility to determine whether you have met the requirements for your degree. Please see the MSC Catalog for a complete list of 1. graduation requirements.
- You must turn in your "Intent to Graduate" form to the Registrar's Office by September 15 if you plan to graduate the following May, and 2. by February 15 if you plan to graduate the following December.
- This program sheet must be submitted with your graduation planning sheet to your advisor during the semester prior to the semester of 3. graduation, no later than October 1 for spring graduates, no later than March 1 for fall graduates.
- Your advisor will sign and forward the Program Sheet and Graduation Planning Sheet to the WCCC Director of Instruction for signature. 4.
- Finally, the WCCC Director of Instruction or the department administrative assistant will take the signed forms to the Registrar's Office. 5. (Students cannot handle the forms once the advisor signs.)
- If your petition for graduation is denied, it will be your responsibility to reapply for graduation in a subsequent semester. Your "Intent to 6. Graduate" does not automatically move to a later graduation date.
- NOTE: The semester before graduation, you may be required to take a Major Field Achievement Test (exit exam). 7.

STUDENT ID #

LOCAL ADDRESS AND PHONE NUMBER:

I, (Signature)

_____, hereby certify that I have completed (or will complete) all the courses listed on the Program Sheet. I further certify that the grade listed for those courses is the final course grade received except for the courses in which I am currently enrolled and the courses which I complete next semester. I have indicated the semester in which I will complete these courses.

Signature of WCCC Director of Instruction	Date	
		20
Signature of Registrar	Date	

Students should work closely with a faculty advisor when selecting and scheduling courses prior to registration.

Degree Requirements:

- 2.00 cumulative GPA or higher in all MSC coursework
- "C" or better in each course which comprises the area of emphasis or specialization for TSTA, TSTC, TSTD, and TSTG
- Program sheets are for advising purposes only. Because a program may have requirements specific to the degree, check with your advisor for additional guidelines, including prerequisites, grade point averages, grades, exit examinations, and other expectations. It is the student's responsibility to be aware of, and follow, all guidelines for the degree being pursued. Any exceptions or substitutions must be approved by the faculty advisor and/or Department Head.
- Additional Expenses Students entering the program may be required to purchase or have hand tools and appropriate clothing and safety gear with a total cost of approximately \$1675.00. This does not include cost of required textbooks. These costs may vary with student need and brand or quality of tools or equipment purchased. All safety glasses must meet the minimum industry safety standard of Z-87 with side shields.
- Please see faculty advisor for approved electives.
- See the "Undergraduate Graduation Requirements" in the Mesa State College catalog for additional graduation information
