Dear Generous Donor,

My sincere thank you for the scholarship of \$1,000 for the 2011-2012 academic year. It is a great honor to receive this scholarship for the second year in a row. Your generosity enables me to take out fewer loans to finance my education.

I am just beginning my final semester in the nursing program. I am also performing my senior rotation on the telemetry/ cardiac unit at the local hospital and am enjoying it immensely. I continue to work at the research institute organizing the archive while in school. When I graduate, I intend to apply for positions in acute care hospitals on med/surg units.

Once again, thank you for your generosity and support. I will work hard to give back to my community and possibly give a scholarship to a future student like myself.

Sincerely,

Grateful Student.
