*(Associate of Applied Science)*

## ***LPN to Associate of Applied Science in Nursing Program***

This program is designed for licensed practical nurses to achieve an associate of applied science in nursing degree, opening up greater employment opportunities, increased compensation, and more job security.

Students will develop nursing skills in caring for a diverse population in today's health care settings. They will utilize data related to the client's biological, psychological, socio-spiritual, cultural and developmental needs to promote, maintain, and restore health.

The associate degree nurse takes the NCLEX-RN and becomes a registered nurse. The associate of applied science in nursing graduate is a technical nurse who has achieved a balance between general college and nursing education. The associate of applied science in nursing RN is prepared to be a direct care giver in hospitals, long-term facilities, and ambulatory care-clinic settings.

In order to be eligible to apply to this program the potential student must:

- Be a graduate of a state approved LPN program and have a license in good standing
- Current LPN work experience highly recommended
- Complete all general education and prerequisite courses
- Demonstrate college-level proficiency in reading, writing, English, and mathematics
- Be IV certified
- Have current "CPR for the Professional Caregiver" card (*available through the American Red Cross or American Heart Association*)

Admission requirements may change from year to year. It is the student's responsibility to obtain the current admission requirements.

To schedule an advising appointment for LPN to AAS classes held at the Montrose Campus of Mesa State College contact the staff at the Montrose Campus at (970) 249-7009 or [montrosecampus@mesastate.edu](mailto:montrosecampus@mesastate.edu).

## **APPLICATION PROCESS**

1. Submit a completed **Mesa State College application**, including application fee, through the Admissions Office or reactivate application file if you have missed one semester at Mesa State College, declaring Associate of Applied Science/Associate Degree in Nursing as area of emphasis.
2. Submit copy(ies) of all transcripts from other colleges/universities and from your LPN school to **MSC Office of the Registrar, (contact previously-attended schools and have them send transcripts to MSC Registrar - who will then do a transcript evaluation and make the decision on which courses taken at a previous college will transfer to Mesa State College.)** Transcript evaluation by Registrar is required for all courses taken at other colleges. Applicants must have at least a 2.0 ("C") on a 4.0 scale for all courses required for completion of the Associate of Applied Science. This policy applies regardless of when the course was taken.
3. Successfully complete (or be about to complete) general education requirements and prerequisites (must complete all general education and prerequisite courses with a "C" or better. If currently enrolled in a prerequisite, include an instructor-signed "**request for grade**" form *(available on website or in nursing department)* verifying the grade you are expected to receive.
4. Submit a separate **LPN to AAS application** prior to **October 1** for priority consideration for spring entrance. Application is included in this packet and is also available on the Mesa College website [www.mesastate.edu/healthsciences/ladder.html](http://www.mesastate.edu/healthsciences/ladder.html), or in the Health Sciences Department, or at the Montrose Campus. Please be aware that students are admitted contingent upon their passing the criminal background investigation through American DataBank (applicants will do the background check after admitted to program).
5. Applicants for Mesa State College in Grand Junction, contact Genell Stites, LPN to AAS Program Director, at (970) 248-1828 or [gstites@mesastate.edu](mailto:gstites@mesastate.edu). Applicants for Mesa State College-Montrose Campus contact the staff at the Montrose Campus at (970) 249-7009 or [montrosecampus@mesastate.edu](mailto:montrosecampus@mesastate.edu).
6. Applicants must take the "**Kaplan Admission Test.**" The required test measures applicant's basic skills in reading, math, science and English. The cost to the applicant is \$30.00. **Kaplan tests will be scheduled approximately a month before the application deadline.** Applicants will register and pay for the test on the Mesa State College website Health Sciences page.
7. Submit copy of LPN License. **(Additional testing may be required if applicant graduated from LPN school more than 10 years ago.)**
8. Submit proof of **IV Certification. Proof must be the letter from the State Board of Nursing and must be submitted before program begins in January.**
9. Submit a copy of appropriate **CPR certification card** (CPR/AED for Professional Caregiver (ARC) or CPR for the Healthcare Provider (AHA).

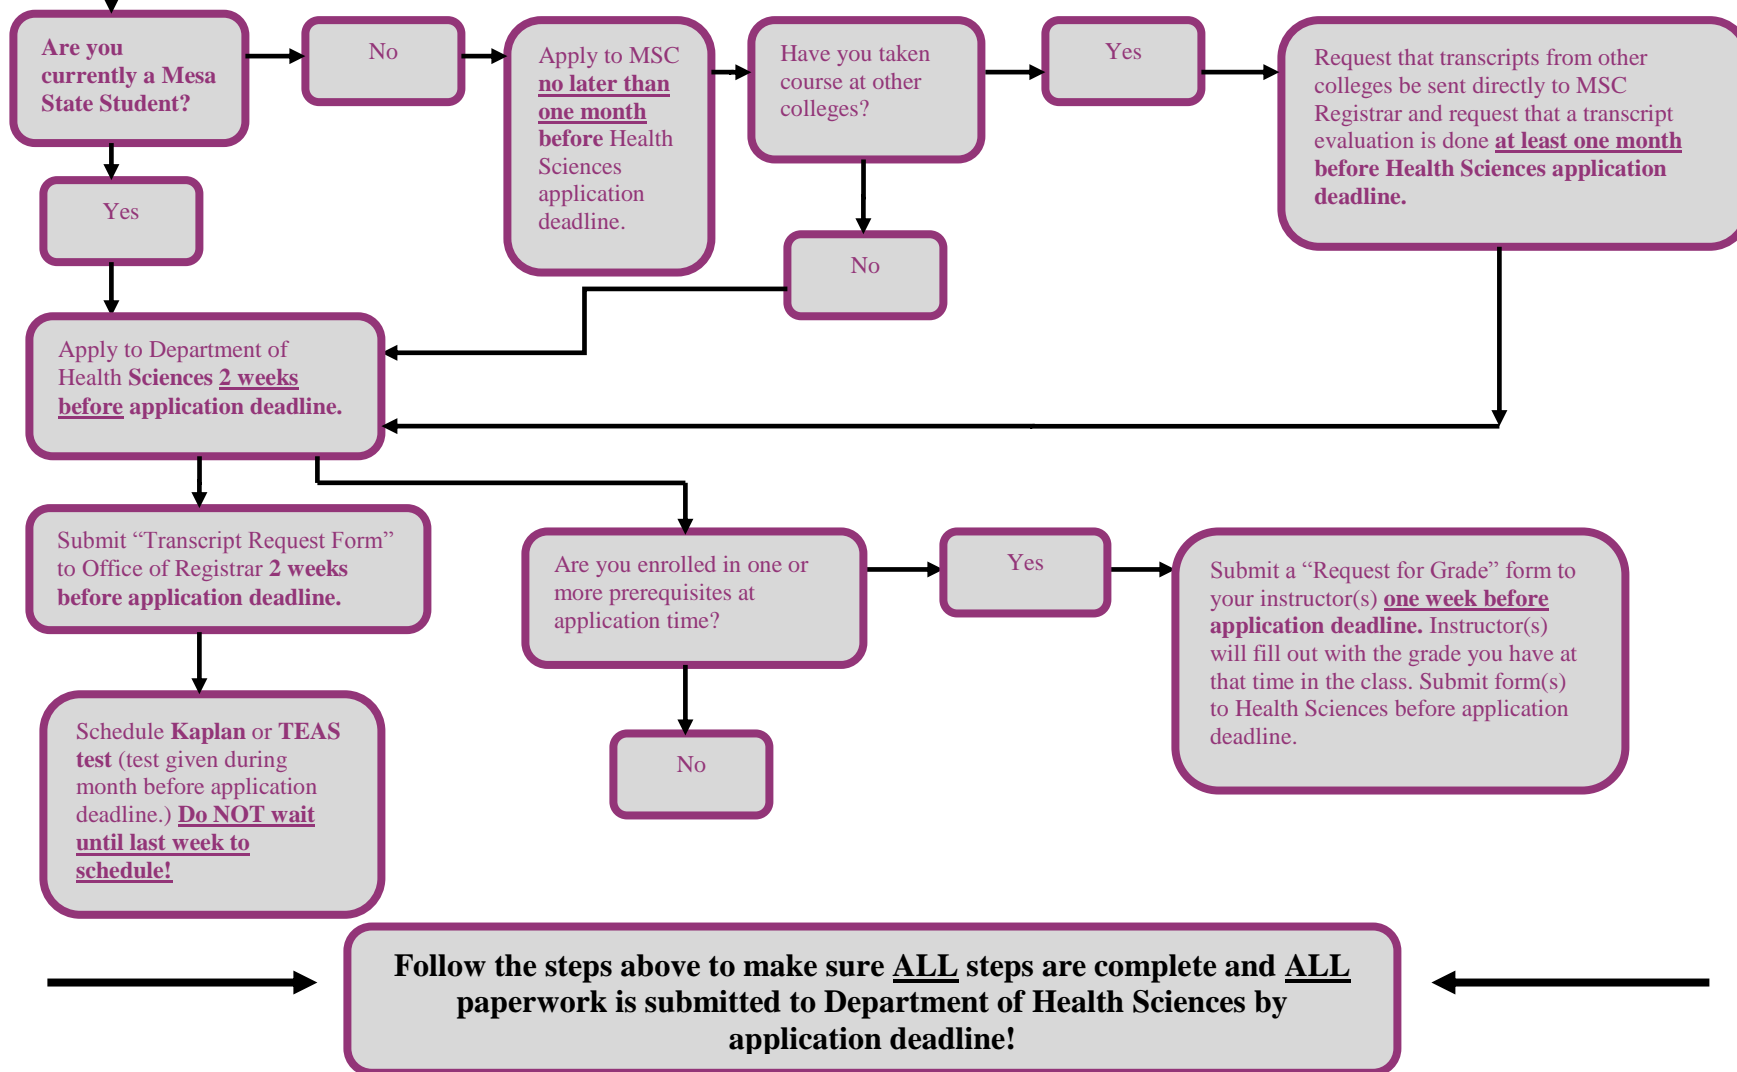

**Items 1 through 9 must be completed prior to October 1 for spring entrance.**

**SEE CHART ON NEXT PAGE FOR APPLICATION PROCESS TIME-LINE**

**Remember, it is the student's responsibility to make sure the nursing office has these items on file by the deadline!**

## **UPON ADMISSION TO PROGRAM:**

10. **Background checks are a requirement to be enrolled in the nursing program and at clinical sites. To complete** your background check, go to American DataBank website <http://www.mesacx.com> and follow instructions. Students must complete the application on-line including payment of associated fees, directly to American DataBank (approximate cost (\$60.00). There is a disclosure and written consent statement on the website; the student is instructed to download two copies, **sign and fax one copy to American DataBank, and send one copy to the Nursing Department at fax # 248-1133. Students should also keep a copy for their file.**
11. **Physical and Immunizations:** students admitted to the LPN to AAS program are required to have a physical examination along with proof of several immunizations; proof of two Measles/ Mumps/ Rubella immunizations, Varicella, Tetanus (current within 10 years), Hepatitis B (this is a series of three immunizations), as well as a current TB skin test. *(Either a two-step TST within the past 12 months or proof of negative TST documented yearly for 2 years. If the student has proof of a one-step TST within the past 12 months, a one-step TST should be done.)*
12. **Required Professional liability insurance:** Students who wish to may apply for insurance through the National Professional Group as a student nurse. The website is <http://www.nso.com>. Should you choose to go through a different company, the policy must be comprehensive general liability insurance covering bodily injury and property damage liability with minimum coverage limits of \$1,000,000 per occurrence/\$2,000,000 general total limit, and medical professional liability insurance with minimum coverage limits of \$1,000,000 per claim/\$3,000,000 annual aggregate.
13. Grand Junction area students - **activate your MSC email** account by going to the Tomlinson Library computer room (if not already activated). Montrose area students - call the Mesa State College help desk at 248-2111. This account is free for MSC students, and all nursing students are required to activate - and regularly check Mesa State e-mail.
14. If interested in participating in the *AmeriCorps UCAN Scholarship Program*, students must attend orientation at a time and location to be announced. Failure to attend an orientation program will eliminate students from consideration for the program for this semester. **For information on what the AmeriCorps UCAN scholarship program is, visit the website [www.americorps.gov](http://www.americorps.gov), or call 1-888-507-5962 or e-mail [edawardvoucher@cns.gov](mailto:edawardvoucher@cns.gov).**
15. **Unemployed** Grand Junction area students - call the [Mesa County Workforce Center](http://www.mesa-county-workforce.com) at 248-0871 at least one month before classes start regarding possible scholarship dollars. You must contact Workforce at least one month before classes begin.
16. Purchase name tags; you must have a name tag to do clinicals at area hospitals. See the Administrative Assistant for the LPN-AAS program. You must fill out a form, pay **cash** for your name tag (\$5.00 for a pin tag, \$7.00 for a magnet tag), and it will be ordered for you and given to you on the first day of class. **Again, you must pay in cash.**

**It is the student's responsibility to see that these items are turned in by the deadline!**

**About This Degree . . .**

This program is designed for Licensed Practical Nurses to achieve an Associate of Applied Science in Nursing Degree, opening up greater employment opportunities, increased compensation, and more job security. The Associate of Applied Science in Nursing program prepares the student to achieve a balance between general college and nursing education. The associate of applied science in nursing RN is prepared to be a direct care giver in hospitals, long-term facilities, and ambulatory care-clinic settings.

The potential student must demonstrate college-level proficiency in reading, writing and mathematics in order to be admitted to this program. This program has selective admission requirements and requirements may change from year to year. It is the student's responsibility to obtain the current admission requirements.

**POLICIES:**

1. It is your responsibility to determine whether you have met the requirements for your degree. Please see your MSC Catalog for a complete list of graduation requirements.
2. You must go to the Registrar's Office and fill out the "Intent to Graduate" form **at the beginning of the semester prior to graduating.**
3. This program sheet must be submitted with your graduation planning sheet to your advisor during the **semester prior to graduating, no later than March 1 for Fall graduates.**
4. Your advisor will sign and forward the Program Sheet and Graduation Planning Sheet to the Department Head for signature.
5. Finally, the Department Head or the department administrative assistant will take the signed forms to the Registrar's Office. (Students cannot handle the forms once the advisor signs.)
6. If your petition for graduation is denied, it will be your responsibility to reapply for graduation in a subsequent semester. Your "Intent to Graduate" does not automatically move to a later graduation date.
7. NOTE: The semester before graduation, you will be required to take a Major Field Achievement Test (Exit Exam).

**Students should work closely with a faculty advisor when selecting and scheduling courses prior to registration.**

**Degree Requirements:**

- 60 semester hours total (A minimum of 16 taken at MSC in no fewer than two semesters.
- 2.00 cumulative GPA or higher in all MSC coursework
- 2.00 GPA or higher in all prerequisite and nursing courses
- Pre-collegiate courses (usually numbered below 100) cannot be used for graduation.
- The general education courses and prerequisites must be completed prior to beginning the NURS courses.
- A student must follow the MSC graduation requirements either from 1) the program sheet for the major in effect at the time the student officially declares a major; or 2) a program sheet for the major approved for a year subsequent to the year during which the student officially declares the major and is approved for the student by the department head. Because a program may have requirements specific to the degree, the student should check with the faculty advisor for additional criteria. It is the student's responsibility to be aware of, and follow, all requirements for the degree being pursued. Any exceptions or substitutions must be approved by the student's faculty advisor and Department Head.
- When filling out the program sheet a course can be used only once.
- See the "Undergraduate Graduation Requirements" in the Mesa State College catalog for additional graduation information.
- 18 credits will be awarded for prior LPN coursework according to the Colorado Articulation Model.

**GENERAL EDUCATION REQUIREMENTS (17 semester hours)**
