

Welding Technology Instructors

Part-time instructors needed who are proficient in the following processes: SMAW, GMAW, GTAW, FCAW, OAW, OAC, PAC, CAC on plate and SMAW pipe welding. Day, evening or weekend classes. Requires an Associate's degree in welding, a minimum of five years' work experience within the past seven years, and Career and Technical Education credential within six months of employment. AWS certification desired but not required.

Open until filled. To ensure consideration, applications must be received by January 6, 2017.

Start date is January 17, 2017.

Contact Debbie Balmer at 970-255-2603 or dbalmer@coloradomesa.edu.

Colorado Mesa University appreciates your completion of the following forms, and sent to Kelly Dougherty at kdougherty@coloradomesa.edu:

- [Applicant Authorization to permit Search Committee members to review candidate transcript](#)
- [Applicant Authorization and Release to Conduct Reference and Background Check form](#)
- [Voluntary Affirmative Action form](#)

Colorado Mesa University is committed to providing a safe and productive learning and living community. To achieve that goal, we conduct background investigations for all final applicants being considered for employment. Background investigations include reference checks, a criminal history record check, and when appropriate, a financial and/or motor vehicle history. Applicant must be able to verify U.S. employment eligibility. Colorado Mesa University is an Equal Opportunity Employer, committed to a culturally diverse faculty, staff and student body. Women and minorities are encouraged to apply.
