

BROWN BAG MATH COLLOQUIUM

SPEAKER: **Tracii Friedman**
 Professor of Mathematics, CMU

TITLE: **Topics in Dynamical Systems: A Sneak Peak**

WHEN: **Friday, Oct. 30 2015, at noon**

WHERE: **Wubben Science 113**

ABSTRACT: Next semester, the Mathematics program will offer a topics course in Chaos, Fractals, and Dynamical Systems. In this colloquium, we will take a brief look at a few topics that will be featured in the course. Math 396: Dynamical Systems will be offered on Monday, Wednesday, and Friday 11-11:50.

If you are unable to attend, but have questions about the course, please contact Dr. Friedman in WS 134M (tfriedma@coloradomesa.edu).
