## TOTAL WITHDRAWAL FOR SEMESTER

To be used in cases where a student is completely withdrawing from a specific semester. This form does not withdraw the student from CMU.

**This form cannot be used for the accelerated online 7 week program, contact the Health Science Department**

**GRADING POLICY:** STUDENTS MAY WITHDRAW UP TO THE MID-POINT OF THE CLASSES BEING TAKEN and will receive grades of "W". Students withdrawing after the midpoint of the classes will receive grades of "F".

**REFUND POLICY FOR COMPLETE WITHDRAWAL:** The act of registration constitutes a financial obligation to CMU regardless of attendance.

1. If a student pre-registers but officially withdraws before the first day of the semester, tuition and refundable fees will be refunded and all financial aid received must be repaid.
2. The return of Title IV Funds: the federal government now requires all students withdrawing prior to the 60% point of enrollment to repay unearned financial aid. This amount must be repaid prior to the student receiving any additional financial aid at Colorado Mesa University or any other college or university. Non payment will affect future financial aid eligibility.
3. Unearned financial aid -Total Title IV financial aid disbursed (excluding workstudy) minus Earned title IV financial aid disbursed.
4. Earned financial aid -Total Title IV financial aid disbursed (excluding workstudy) multiplied by the percentage of the term completed.
5. Non-Titled IV funds such as scholarships or third-party payments will be adjusted according to Colorado Mesa University/donor policies.
6. Housing or meal plan refunds will be applied in accordance with applicable contracts and Federal Financial Aid refund policies.
7. Beginning the first day of the fall semester, if a student completely withdraws from all classes the University will refund tuition and refundable fees as follows based on the date student notifies the Registrar’s Office in writing.

### Applies to all students who completely withdraw from all fall courses.

See the [Add/Drop/Withdraw Deadlines](#) page dates/information on adding, dropping, and withdrawing.

### Partial Withdrawal From Semester

If a student leaves at least one class on their schedule, tuition is adjusted to reflect the courses left on the schedule, plus the cost of classes that were “withdrawn” from in the “No Refund” time frame. A total withdraw form is not necessary, but the student may need to use the Change of Schedule/Special Permission form if the drop deadline has passed. The student may adjust their schedule via MAVzone, through the Registrar’s Office, WCCC Student Services, or Montrose Students Services. See the [Add/Drop/Withdraw Deadlines](#) page dates/information on adding, dropping, and withdrawing.
