Academic Policies

Statement of Principle

The faculty, administration, and students of Colorado Mesa University support the principle that all individuals associated with the academic community have a responsibility for establishing, maintaining, and fostering an understanding and appreciation for academic integrity.

Student Responsibility and Expectations

Colorado Mesa University is a community of scholars sharing similar academic values and expectations. The primary academic responsibility of the University is to seek and state the truth as it is understood. To this end, faculty will present course content in a balanced manner that honors different viewpoints, exercises self-discipline and judgment in using, extending and transmitting knowledge, and practices intellectual honesty.

A value fundamental to the principle of independent learning is the requirement of honesty and integrity in the performance of academic assignments, both inside and outside the classroom. By submitting work which is not your own, you may forfeit the opportunity to continue as a student. Each student accepts the responsibility of maintaining honor in all aspects of academic study and the support of this principle as it applies to others.

You, as a student, accept the following statements as a part of your obligation to the Colorado Mesa University academic community:

1. Never intentionally represent the works or ideas of others as your own without proper acknowledgment. Examples include a submission of purchased research papers as one's own work, paraphrasing and/or quoting material without properly documenting the source be it from a hard document or internet web page;
2. Never use unauthorized material, falsified, altered, or fabricated information in an academic assignment or campus related activity; never provide false information to a University official staff or faculty member;
3. Never take someone else's ideas during a discussion or from a lecture without citing the individual and the circumstances of the lecture or discussion;
4. Never infringe upon the rights of other students by removing material from the library without authorization, defacing or destroying library materials, or similarly abusing library privileges. Such acts are considered to be academic dishonesty and will be treated as such;
5. Never give or receive assistance on an examination, quiz, term paper, or project unless specifically authorized by the instructor to do so;
6. Never forge an academic document;
7. Never misrepresent your identify or allow others to represent you when communicating electronically (e.g., email messages; distance-based classes), through mail, or over the phone concerning any academic-related activities including homework, examinations, papers, etc.;
8. Never submit in whole or substantial portions of either written or oral academic work which has previously earned credit, when submission is made without instructor authorization;
9. Respect the rights of other students in the area of computer usage. Specifically, every student has a right to privacy and a fair share of resources. Any abuse of these rights or unauthorized access to another student's computer program is considered academic dishonesty;

10. Take appropriate action, as dictated by personal honor, upon becoming aware of a violation of academic integrity. This includes reporting the violation to the faculty member, the department head, or the Office of Academic Affairs.

Definition of Academic Dishonesty

The protection of academic integrity requires clear and consistent standards and definitions, as well as confrontation and sanctions when individuals intentionally violate those standards. The most important of the definitions is that of academic dishonesty.

Academic dishonesty undermines the educational experience, lowers morale by engendering a skeptical attitude about the quality of education, and negatively affects the relationship between students and faculty. Academic dishonesty is the intentional act of fraud, in which an individual seeks to claim credit for the work and efforts of another or uses unauthorized material or fabricated information in any academic exercise. Academic dishonesty also includes, but is not limited to:

1. Forgery/fabrication/falsification/plagiarism of academic documents
2. Intentionally impeding or damaging the academic work of others
3. Assisting others in acts of academic dishonesty
4. Cheating in the classroom
5. Unauthorized attendance
6. Multiple submissions
7. Unauthorized collaboration

Sanctions for Academic Dishonesty

Students who have been sanctioned as a result of academic dishonesty should understand that they have violated the Colorado Mesa University Code of Conduct and are subject to appropriate disciplinary actions under that Code which may include suspension from Colorado Mesa University.

When acts of academic dishonesty occur, appropriate members of the academic community must understand and investigate to determine the facts and, if there has been academic dishonesty, decide on the degree of dishonesty and the sanction(s) that should be imposed.

Faculty members have the authority to impose sanctions for academic dishonesty. Incidents of academic dishonesty include, but are not limited to, plagiarism (submitting another's work as one's own) and cheating during exams (consulting a textbook, Internet, notes, and/or other sources without permission). Professors have the leeway to handle such incidents as they see fit; they are not required to involve parties other than the offender(s). The penalties that lie within a professor's prerogative include giving a reduced grade or failing the student for the plagiarized assignment/compromised exam, or failing the student for the course. Penalties or sanctions in programs may exceed those specified for the institution as a whole.

Incidents of academic dishonesty entailing a punitive action that is either uncontested by the student, or contested unsuccessfully, should be recorded and submitted through the Department Head to the Office of Academic Affairs. The Office will keep these reports on file. The sole purpose of the file is to determine whether a student, reported for academic dishonesty, has committed comparable infractions in another class or classes during his/her academic career. A student's record in the file will be expunged once s/he has graduated or a period of five years has passed since the reported incident.

Students have the right to appeal decisions against them. If the matter was handled between student and professor alone, the student can direct an appeal to the Department Head. If the matter was handled by an Academic Dishonesty Committee, the appeal is directed to the Office of the Vice President for Academic Affairs.

Students who observe or believe that there is academic dishonesty in a course may file a written complaint with the responsible faculty member. In instances when this is not possible or the faculty response does not resolve actions that are deemed to involve academic dishonesty, the written complaint should be then filed with the responsible Department Head.

In instances when actions that involve academic dishonesty cannot be resolved within the appropriate department, the written complaint should be directed to the Academic Dishonesty Committee. The point of contact for that complaint is the Assistant Vice President for Academic Affairs.

Appeal Procedure for Sanctions for Academic Dishonesty

Students have the right to appeal sanctions for academic dishonesty made against them.

Step 1 – Instructor Level: Meet with the Instructor

It is always best to try to resolve the dispute at the lowest possible level. The student is encouraged to discuss the incident with the course instructor to reach a resolution (For example, it is possible that the situation was misunderstood, in which case the instructor can rectify the error.). If the issue is not one of misunderstanding, then the student must direct their appeal in writing to the instructor/faculty member who imposed the sanction. The student has two (2) weeks, from the date the sanction was imposed, to submit a formal written appeal to the instructor. Once the instructor has received the written appeal from the student the instructor must respond in writing to the student, within one week, as to his/her final decision.

The written appeal must include:

1. A description of the incident;
2. A description of what occurred during the informal resolution process;
3. Any relevant documents the student would like to be reviewed as part of the appeal process.

Step 2 – Department Head (or designee) Level: Meet with the Department Head (or designee)

If the student is dissatisfied with the instructor's written response, the student can appeal in writing to the department head within one week of receiving the instructor's response. If the student is initially unwilling to approach the instructor, the student may appeal the sanction directly to the department head in writing, within two weeks of the date the sanction was imposed by the instructor. The department head will serve as a mediator between the instructor and the student to resolve the dispute. The department head will conduct an investigation and make a recommendation based upon mediation. The department head will respond to the student in writing, in a timely manner, regarding the outcome of the investigation and any determination made.

Step 3 – Academic Dishonesty Committee: Meet with the Academic Dishonesty Committee

When the decision regarding the appeal is not resolved to the satisfaction of either the student or the instructor, at the department head level, either the student or the instructor may appeal in writing to the Academic Dishonesty Committee (ADC). The committee is to protect the rights of both the student and

instructor when such situations arise. The point of contact for that complaint is the Assistant Vice President for Academic Affairs.

To conduct an appeal to the ADC, the student or instructor must submit his/her case in writing to the Assistant Vice President for Academic Affairs, chair of the ADC, within six (6) weeks of the initial sanction. The ADC will consist of the chair, three members of the University's faculty. In addition, a request will be made for a student representative to be appointed by the Associated Student Government (ASG). No later than two additional calendar weeks from the filing of the appeal, a hearing will be convened that includes the student, the instructor, and the authority to whom the appeal was subsequently directed. All materials reviewed by the ADC are protected, where appropriate, by Family Educational Rights and Privacy Act (FERPA) regulations.

When cases occur during summer or the January Term, the ADC will consist of three faculty members at-large. The committee can rule as to the gravity of the incident and the corresponding degree of sanction. Penalties up to and including expulsion of the student from the University may be imposed.

A decision will be issued, in writing to the student, instructor and department head no later than one calendar week from the date of the final or concluding hearing/meeting of the ADC. (Note: The above timeline may be subject to change should the procedure, or a portion thereof, include school breaks. That said, the intent of the University is always to reach a decision in as timely a manner as possible.

Step 4 – The Vice President of Academic Affairs (VPAA) Level

In instances when the ADC issues a ruling or additional sanction, that the student or instructor wishes to further appeal, the request should be directed in writing, to the Vice President for Academic Affairs. The student or instructor, who wishes to have an appeal considered by the VPAA must submit an appeal within one calendar week following the decision/ruling of the ADC. There is no appeals process beyond the level of the Vice President for Academic Affairs. The determination/ruling of the VPAA is final.

Grade Appeal Procedure

CMU accepts as academic principle that the grade assigned by an instructor is inviolable and not generally available for appeal. A grade may not be changed based on the reevaluation of the student's work and/or accepting additional work after the grade is assigned and posted by the Registrar. However, if a student feels that s/he has been unfairly graded, the student may appeal. This grade appeal procedure does not cover appeals for W (withdraw) designations based on medical, emergency or hardship situations. Appeals for W are conducted through the office of the Registrar.

Lower grades or grade reductions, based on sanctions for academic dishonesty do not fall under this procedure. Please refer to the appeal section under "Appeal Procedure for Sanctions for Academic Dishonesty" above.

The student must demonstrate in writing that the grade was unfair based upon one or more of the following conditions. The burden of proof to support a grade appeal rests upon the student.

1. The grading decision was based on something other than course performance, (unless the grade was a result of penalty for academic dishonesty).

2. The grading decision was based on standards that were unreasonably different from those applied to other students in the same section of that course.
3. The grading decision was based on standards that differed substantially and unreasonably from those previously articulated by the instructor.

Step 1 – Instructor Level: Meet with the Instructor

It is always best to try to resolve the dispute at the lowest possible level. The student is encouraged to talk about the grade with the course instructor (For example, it is possible that the grade was assigned based on a computational miscalculation, in which case the instructor can rectify the error. Correcting such mistakes is not considered a grade change under this policy.).

If the grade issue is not resolved by speaking with the instructor, the student must direct their appeal in writing to the faculty member who assigned the grade. *The student has six (6) weeks, following the recording of grades by the Registrar, in which to file a written appeal to the instructor. If the student is unwilling to approach or notify the instructor in writing, then a written appeal must be forwarded to the department head within this 6-week time period* (see Step 2). A dated copy of the appeal should also be delivered to the Assistant Vice President of Academic Affairs.

Following the submission of the written appeal to the instructor, the instructor must respond in writing to the student regarding his/her decision.

The written appeal must include:

1. A statement addressing how the appeal meets one or more of the three criteria necessary for a formal grade appeal;
2. A description of what occurred during the informal resolution process;
3. Copies of all graded materials from the course that are in the student's possession;
4. Any relevant documents the student would like to be reviewed as part of the appeal process;
5. A copy of the course syllabus.

Step 2 – Department Head (or designee) Level: Meet with the Department Head (or designee)

If the student is dissatisfied with the instructor's response, the student has two (2) weeks to file an appeal with the department head. Or if the student is unwilling to approach the instructor, *the student may appeal the grade to the department head in writing, within six (6) weeks of the initial posting of the grade by the Registrar.* The department head will serve as a mediator between the instructor and the student to resolve the dispute. The department head will conduct an investigation and make a recommendation based upon mediation in a timely manner.

Step 3 – Academic Grade Appeal Committee: Meet with the Academic Grade Appeal Committee

When the decision regarding the grade appeal is not resolved to the satisfaction of either the student or the instructor, at the level of the department head, either the student or the instructor may appeal in writing to the Academic Grade Appeal Committee (AGAC). The committee is to protect the rights of both the student and instructor when such situations arise. The point of contact for that complaint is the Assistant Vice President for Academic Affairs.

To conduct an appeal to the AGAC, the student or instructor *must submit his/her case in writing to the Assistant Vice President for Academic Affairs, chair of the AGAC, within two weeks following the decision at the department head level.* The AGAC will consist of the chair, three members of the University's faculty, plus the University's Registrar. No later than two additional calendar weeks from the filing of the grade appeal to the AVPAA, a hearing, or set of hearings, will be convened that includes the student, the instructor, and the authority to whom the appeal was directed. All materials reviewed by the AGAC are protected, where appropriate, by the Family Educational Rights and Privacy Act (FERPA) regulations.

When cases occur during summer or the January term, the AGAC will consist of three faculty members at-large. The committee can rule as to the gravity of the incident and the corresponding degree of punishment. Penalties up to and including expulsion of the student from the University may be imposed.

A decision will be issued no later than one calendar week from the date of the final hearing/meeting. (Note: The above timeline may be subject to change should the procedure or a portion thereof, include school breaks. That said, the intent of the University is always to reach a decision in as timely a manner as possible.)

Step 4 – The Vice President of Academic Affairs (VPAA) Level

In instances when the AGAC issues a ruling that is being appealed, the appeal should be directed to the Vice President for Academic Affairs. The student who wishes to have an appeal considered by the VPAA must submit an appeal within one calendar week following the adverse decision of the AGAC. There is no appeals process beyond the level of the VPAA. The ruling of the VPAA is final.

General University Policies

Student Conduct, Rights, and Responsibilities General Statement

The matriculation of a student at Colorado Mesa University implies adherence to policies and procedures inherent to the scholarly and educational pursuits of the academic community. You, the student, assume obligations of performance and behavior reasonably imposed by this institution according to its lawful missions, processes, and functions.

The University has a unique charge in allowing for free, reasonable, and rational discourse while establishing an environment conducive to contemplative study and research. Interference in any manner with the public or private rights of other individuals or conduct that threatens or endangers the health and safety of any person will not be tolerated by the University. Conduct at all times should reflect mature judgment and a sense of ethical, moral, civil, and academic responsibility.

Attendance

Students are expected to attend all sessions of each course in which they are enrolled. Failure to do so may result in a lowered grade, exclusion from class at the discretion of the instructor, or an administrative drop for non-attended courses. Students should not assume that non-attendance will result in an automatic drop from a class.

Instructors may drop any student who fails to regularly attend class meetings prior to the Add/Drop Deadline so that other students may enroll. Instructors may also initiate a drop or withdrawal throughout the semester for a student who fails to attend classes regularly. (“Drops” are up to 15% of class elapsed; “withdrawals” are up to the mid-point of the class.) Not all instructors will exercise this option; therefore, a student should not assume that non-attendance will result in an automatic drop from a class.

Administrative drops may be processed as a result of non-attendance in the first two weeks. Faculty will report attendance on affected students via the Satisfactory Academic Attendance System. Students will be notified via their CMU email account if they may be dropped from the course. Tuition, fees, and financial aid will be adjusted according to the credits remaining in the schedule.

Students who receive financial aid and cease attending classes may need to repay all or a portion of their financial aid.

Absences

It is the responsibility of the student to arrange in advance with instructors for making up missed classwork, assignments or tests incurred because of a student’s participation in required field trips, intercollegiate sports, or other trips. The coach, instructor, or other official whose activities require students to be absent from classes should give each participating student an “official” roster and schedule of events for the semester or other appropriate time span which may result in classes being missed. The student is responsible for contacting the instructor of each of his/her classes affected at least 24 hours in advance of each class that will be missed.

Absences due to serious illness or strictly unavoidable circumstances may be excused if the instructor in charge of the course is satisfied as to the cause. In the case of an emergency, the student may contact the

Office of the Vice President for Student Services, and that office will contact the student's instructors to inform them of the emergency.

Being excused for an absence in no way relieves the student of responsibility for completing all work associated with the course to the satisfaction of the instructor. Being late to a class or leaving a class early is disruptive and is not acceptable except in extreme circumstances or with prior approval of the instructor. Prior approval is also required of the instructor if a student wishes to bring a guest (or a child) to class.

Access to Student Educational Records

FERPA provides current students, former students, and parents of dependent students the right to inspect, review, and challenge their educational records.

Students are permitted to inspect and review their educational records within a maximum of 45 days after the request is received. Students may not review financial information received from their parents or guardians, confidential letters, and recommendations placed in their files prior to January 1, 1975, academic records containing information regarding other students, administrative, disciplinary, law enforcement, student health records, and/or records which are maintained in the sole possession of the maker.

While students who have a financial hold or past due account (all holds included) have a right to inspect their academic records, no transcript will be released to the student or other party until holds are reconciled. Parents may challenge a student's denial of consent to access by producing the most current copy of their Internal Revenue Form 1040 showing the student in question is a dependent. Please contact the Registrar's Office if you have any questions regarding this policy.

Canvassing

Students may conduct canvassing (surveys, petitions, and questionnaires) on campus after obtaining authorization from the University.

1. For canvassing to be conducted in the classroom, the Office of the Vice President for Academic Affairs must give approval.
2. For canvassing in all other areas; the Director of Student Life must give approval.
3. For surveys or questionnaires conducted on campus as part of a student research project, authorization must be obtained from the University through the Human Subjects Committee. Please contact the Director of Sponsored Programs (970) 248-1424, for procedural and approval processes.

Chalking

The sidewalks within the boundaries of the University may be used as billboards to advertise specific events open to the campus community. Notice of events should be placed no more than five days prior to an event and removed the day after the event. The University allows expressive chalking within a stretch of sidewalk between Tomlinson Library and Wubben Hall, as a place where students can express their thoughts. We ask that this area be a continuation of the Academy's mission – a conversation to the greater community, a conversation of respect and civility. This area is open from Monday at 12:00 a.m. until Thursday at 11:59 p.m. The zone will be cleaned regularly to allow new comments.

Chalking should remain on sidewalks, not on University buildings. Students found to be defacing University property may be charged through the campus discipline process.

This request will be honored until you request, in writing, that directory information be disclosed. Educational Records

Colorado Mesa University has the responsibility of maintaining and protecting the confidentiality of students' official educational records. Educational records are records directly related to a student and maintained by the University or by a party acting for the University. The term does not include those records specifically excluded by Section 99.3 of the Family Educational Rights and Privacy Act (FERPA). Colorado Mesa University also supervises the access to and/or release of educational records of its students. FERPA also provides students the right to inspect, review, and challenge their educational records. In support of this effort, the University will make reasonable accommodations regarding the manner in which persons may exercise their rights to free speech to assure the orderly operation and safety of the campus community.

In the exercise of free speech, the rights and privileges of all persons shall be respected and there will be no tolerance for activities that endanger the health or safety of the campus community, visitors, or guests. Additionally, such demonstrations must not unreasonably disrupt the normal conduct of University operations, impair the learning environment or endanger University property or persons.

In the event safety or disruption becomes an issue for the University, its students, staff, and/or faculty, or the individual or organization(s) involved in free speech activities, this policy does not limit or constrain the University or law enforcement authorities to maintain and protect public safety, as established in law, including moving such demonstrations to a reasonably central campus location that may mitigate safety issues or disruptions to the learning environment.

Colorado State Immunization Law states that after July 1, 1992 all University students born since January 1, 1957 must have two (2) measles, two (2) mumps, and two (2) rubella doses. If the student received a second measles dose prior to July 1, 1992 the second mumps and rubella are not required. Written evidence of titers (blood test) showing immunity to measles, mumps, and rubella is acceptable. If the student completes an exemption form and an outbreak occurs, the student will be subject to exclusion from the school. Students must prove compliance before the add/drop deadline of their first semester, or they will not be allowed to register for further classes.

Each new, incoming freshman student residing in University housing is required by Colorado Statute to complete a form upon check-in indicating whether or not the Student as received a meningococcal vaccination.

The vaccination is **voluntary**; the decision to vaccinate is one the student, parent(s), or guardian(s) should make in consultation with their family health care provider.

1. Meningococcal disease is a serious disease.
2. Meningococcal disease is a contagious, but a largely preventable, infection of the spinal cord fluid and the fluid that surrounds the brain.
3. Scientific evidence suggests that University students living in dormitory facilities are at a modestly increased risk of contracting meningococcal disease.
4. Immunization against meningococcal disease decreases the risk of contracting the disease.

Vaccinations may be available through your family health care provider, Colorado Mesa University Student Wellness Center, or your county health department. Please check with your health insurance to see if the vaccination is covered by your policy.

Parking

All parking on the Colorado Mesa University campus is regulated from 6:00 a.m. to 6:00 p.m. weekdays, during the school year. During breaks only pay to park and reserved lots are enforced. Retention of Student Conduct Records

A student's conduct record is maintained for a specified period of time. If a student is found not responsible, the file is destroyed immediately. If the charges are dropped due to insufficient evidence (while in the investigation phase) the file is kept for seven (7) years from the date of the incident. Cases in which a student is expelled from the institution are kept indefinitely. All other student disciplinary files are kept for seven years from the date of the incident.

Sales and Solicitations

Sales and solicitations by recognized student organizations must be approved in advance by the Vice President for Student Services or designee. Non-Student group sales and solicitations are prohibited on campus. Students are encouraged to register their high values items (computes, gaming systems, iPods, bicycles, etc.) with the Grand Junction Police Department at their on-campus office.

Report any and all thefts, as well as any suspicious and/or criminal activity, to the Grand Junction Police Department as soon as possible.

University ID / MavCard

It is the policy of Colorado Mesa University that every registered student enrolled in a credit-bearing course, not otherwise covered by a concurrent enrollment agreement, is required to obtain a MavCard. All students enrolled in a course delivered via a distance format are required to have a MavCard. A student must have a MavCard to access the Hamilton Recreation Center. Students must also have a MavCard to access online library materials and database subscriptions. In addition, the student's MavCard photo is included in the instructor's and academic advisor's Banner self-service class rosters available through MavZone. Distance education students receive their MavCard by submitting a MavCard Online Request with required personal information, a scanned copy of a government-issued photo ID, and a passport-type picture via their Colorado Mesa University email account. The information provided by the student, as well as supporting documents, is stored in Banner. MavCard requests submitted electronically are subject to a \$15 charge to the student's account that is authorized by the student submitting the MavCard Request Form. This policy is effective July 1, 2013. The MavCard is the property of Colorado Mesa University and must be presented or surrendered upon request of an authorized official of CMU.

Please note that your picture will be taken and displayed on your card.

It is permitted to wear religious headwear for photographs, unless that head wear interferes with the full facial requirement in the REAL ID Act, and in the ISO/IEC 19794-5 (international standard) guide.

REAL ID Act 37.17 (e) (iii): Veils, scarves or headdresses must not obscure any facial features and not generate a shadow. The person may not wear eyewear that obstructs the iris or pupil of the eyes and must not take any action to obstruct a photograph of their facial features.

ISO/IEC 19794-5 7.2.8: The region of the face, from the crown (forehead/hairline) to the base of the chin, and from ear-to-ear, shall be clearly visible and free of shadows. Special care shall be taken in cases when veils, scarves or headdresses cannot be removed for religious reasons to ensure these coverings do not obscure any facial feature and do not generate shadow.

Unauthorized MavCard Use

Students may not lend or give their University-issued MavCard to anyone for any purpose. Unauthorized use may include, but is not limited to:

- Use by a party other than the person identified on the MavCard
- Tampering with or altering the MavCard

If you should lose your Colorado Mesa MavCard, or it is stolen, please report it immediately to the MavCard Office (248-1059). You will need to obtain a new card from the Office, which is located in the hallway next to the information desk of the University Center and is open Monday through Friday 8:00 a.m. to 5:00 p.m.

Video Surveillance Policy

The University may employ video cameras and digital video recorders (DVR) on University property, including the residence halls, for the purposes of deterring crime, assisting police in criminal investigations, and protecting the safety and property of the campus community.

Tampering with any surveillance equipment will result in sanctions. Sanctions may include but are not limited to suspension of technology privileges, termination of employment, referral to Student Conduct proceedings, removal from residence halls, fines imposed, and/or criminal prosecution.

Weapons Policy

Campus safety is of the utmost priority at Colorado Mesa University. Weapons are not appropriate to the University experience. Weapons of any kind, functional or not, may not be carried or brandished on Colorado Mesa University property except for those covered under C.R.S. 18-12-105(2). Alcohol and Drug Policy

As a public institution and state agency, Colorado Mesa University expects all members of the University community to be responsible for their own behavior within the context of state and federal law and University regulations.

Colorado Mesa University is dedicated to instilling positive change in students' lives. The University believes the abuse of alcohol and drugs is counterproductive to this goal and has established campus policies and programs, consistent with state and federal law, which support responsible use for those adults who choose to partake in the consumption of alcohol.

The Campus Policy Regarding Alcohol and Drug Use:

1. The possession or use of alcoholic beverages and illegal drugs is not allowed in any residence halls. Alcoholic beverages may not be used by, possessed by, or distributed to any person under twenty-one (21) years of age. Illegal drugs, including marijuana, may not be used by, possessed by, or distributed to anyone on campus property, to include all campus buildings.
2. Alcoholic beverages may be consumed in pre-approved areas, such as "The Point" and for pre-approved events by the President's Office or his/her designee. At all other times and in all other locations, the possession and consumption of alcoholic beverages on campus and in all campus buildings, including the residence halls and apartments, is not permitted by students, faculty, staff, or guests regardless of whether those individuals are twenty-one (21) years of age or not.
3. Illegal use, possession, or distribution of drugs and/or drug paraphernalia on campus will result in disciplinary action and probable arrest.
4. All controlled substances on campus in violation of state and federal laws, or local ordinances, will be confiscated or destroyed and may be subject to criminal action.
5. Visible intoxication/impairment and any disruptive behavior conducted on campus or at campus-sponsored events off campus resulting from the use of alcohol or other drugs may result in disciplinary actions.
6. Furnishing alcoholic beverages or drugs to persons under the legal age or possession and consumption of alcoholic beverages by those under the legal age will result in disciplinary action and probable arrest.
7. Use of University funds to purchase alcoholic beverages is prohibited.
8. The disciplinary actions for violations of the campus alcohol/drug policy are intended to accomplish the following objectives: To deter students from further violations of campus policy and to educate students concerning the health effects of alcohol/drug abuse.

Students are responsible for observing University policy, state and federal regulations pertaining to alcohol and controlled substances. Students who are in violation of the University policy will be subject to the following disciplinary review:

1. Incidents which occur within the residence halls or apartments, will be reviewed by Residence Life and handled by the appropriate Coordinator or Residence Life Student Conduct Board. For more severe incidents, the student may be required to report to the Student Conduct Officer.
2. The Student Conduct Officer will handle all other incidents that occur both on and off campus. The Student Conduct Officer will not handle incidents that occur within the residence halls or apartments, unless referred by the Director of Residence Life.
3. Students who violate local, state, and federal laws shall be contacted by the Student Conduct Officer to address the alleged violation(s).

4. A student that is convicted in a criminal court for possession of illegal drugs or substances can lose all financial aid assistance, per federal financial aid rules.

Medical Marijuana Policy

If the Colorado Department of Public Health and Environment (CDPHE) issues a Medical Marijuana Registry identification card to a student, Colorado law allows that student to possess a limited amount of marijuana for medicinal purposes. However, possession of a Medical Marijuana Registry identification card does not authorize a student to possess, use, or distribute marijuana in any form, in any University residence hall/apartment, dining facility, classroom building, or in any other public area or facility within University premises.

Recreational marijuana use, possession, and distribution on campus property or at a University sponsored event or activity is a violation of the Residence Life Policy and the Student Code of Conduct.

Parental Notification

The 1998 Higher Education Act provides colleges the opportunity to start conversations with parents concerning their student’s alcohol or drug use. University policy is to send letters to a student’s parents following the student’s violation of the University alcohol policy or drug policy. If you have any questions about this parental notification, please contact Residence Life or Student Services.

Medical Amnesty/Good Samaritan Policy

The health and safety of members of Colorado Mesa University are the primary concerns of the University. The University is committed to ensuring that students obtain timely medical assistance for themselves and for their peers. To this end, the University follows a, Medical Amnesty/Good Samaritan Provision.

Staff at Colorado Mesa University, as well as the Grand Junction Police Department and Mesa County Sheriff's Department, will assist those individuals whose judgment or health is severely affected due to alcohol consumption/drug use by facilitating transport to Community Hospital, St. Mary's Hospital, the Mind Springs Chemical Dependency Detox program, or by taking other protective measures.

Students are STRONGLY encouraged to contact Residence Life Staff, the Grand Junction Police Department, or the Mesa County Sheriff's Department when assistance/help is needed.

The Provision:

Whenever a student assists an intoxicated individual in obtaining the assistance of local or state police, a community safety officer, residence life staff, or other medical professionals, neither the intoxicated individual, nor any individual assisting the intoxicated individual will be subject to formal University disciplinary sanctions (such as probation, suspension in abeyance, suspension or expulsion) with respect to the alcohol/drug incident. (This provision does not preclude disciplinary action regarding other violations of University standards, such as theft, sexual harassment/assault, vandalism, harassment, etc.).

This provision offers a health-focused response to the incident rather than a disciplinary consequence, but does not excuse or protect those individuals or organizations that deliberately or repeatedly violate the alcohol/drug policy as outlined in the Student Conduct Code/Residence Life Community Guidelines.

In order for the Good Samaritan/Medical Amnesty Policy to apply:

1. The reporting party must contact appropriate assistance as defined in the Provision, remain with the intoxicated/student in danger due to alcohol/drugs, and cooperate with staff in obtaining assistance for the student.
2. All intoxicated/students in danger due to alcohol/drugs must agree to a timely conversation or evaluation of their alcohol/drug use with the Coordinator of Student Conduct or Residence Life staff member, whichever is appropriate.
3. If it is determined by the conduct officer (Student Conduct or Residence Life) that educational activities, assessment, and/or treatment are necessary to address the concern for student health and safety, students will be required to pursue and complete such interventions. Likewise, organizations involved in an incident must agree to take recommended steps to address concerns serious or repeated incidents will prompt a higher degree of medical concern.
 - a. NOTE: Failure to complete recommended follow-up may result in disciplinary action.

This provision only governs the application of the University's Student Code of Conduct/Residence Life Community Guidelines and has no status in other jurisdictions, such as local or state courts.

It should also be noted that this provision may only be invoked by a student at the time when his or her case is being heard or investigated by a conduct officer or investigator (Student Conduct or Residence Life), presuming a record of the call for assistance exists. Based on the totality of the incident, the conduct officer

will make the final determination as to the applicability of this provision and reserves the right to reduce or alter educational sanctions.

The Good Samaritan provision does not limit the authority of law enforcement personnel or University staff to act as required at the time of an alleged violation of state or local laws.

If the Good Samaritan/Medical Amnesty Provision is invoked:

The University Will:

- Review the facts of the incident
- Initiate a meeting with students involved
- Discuss/assign educational interventions which may include alcohol/drug classes, alcohol/drug assessment, etc.

The University Will Not:

- Assign formal disciplinary sanctions (fines, probation, suspension in abeyance, suspension, expulsion)
 - Educational activities, alcohol/drug assessment, and/or recommendations for treatment may be assigned
- Create a conduct file; Instead the University will create a “care file” which will be stored separately from disciplinary records

**HEALTH RISKS AND HAZARDS
ASSOCIATED WITH ILLICIT DRUG USE AND ALCOHOL ABUSE**

This is a brief summary of some of the principal health risks and hazards associated with the use of illicit drugs and alcohol. It is neither comprehensive nor exhaustive. For more detailed information concerning the dangers of drugs and alcohol, you should consult your doctor or a drug and alcohol rehabilitation counselor.

Alcohol and Other Depressants (barbiturates, sedatives, and tranquilizers)

Addiction, accidents as a result of impaired ability and judgment, alcohol poisoning, overdose when used with other depressants, damage to a developing fetus, heart and liver damage.

Marijuana

Impair short-term memory, thinking, and physical coordination. Can cause panic reaction and increase the risk of lung cancer and emphysema. Can interfere with judgment, attention span, concentration, and overall intellectual performance. Impairs driving ability. May cause psychological dependence and compromise the immune system.

Cocaine

Addiction, cardiovascular system damage including heart attack, brain damage, seizures, lung damage, severe depression, paranoia, psychosis. Similar risks are associated with other stimulants, such as speed and uppers.

Nicotine

Tobacco smoke contains thousands of chemical compounds, many of which are known to cause cancer. Nicotine, which is a central nervous system stimulant, produces an increase in heart and respiration rates, blood pressure, adrenaline production and metabolism. People can rapidly become physically and psychologically dependent on tobacco. Compromises the immune system.

Inhalants

Inhalants are a diverse group of chemicals that easily evaporate and can cause intoxication when their vapors are inhaled. Most inhalants are central nervous system depressants. Use of these drugs slows down many body functions. High doses can cause severe breathing failure and sudden death. Chronic abuse of some of these chemicals can lead to irreversible liver damage and other health problems.

Prescription Drug Abuse

Adverse reactions, dependency, withdrawal, and overdose.

Residence Life Community Standards

Every community has certain guidelines, regulations and traditions which all members of the community are expected to abide by and uphold. A University community, even more than others, depends upon the integrity, self-discipline, and mature judgment of each of its members. **By accepting admission to Colorado Mesa University, each student agrees to live by the standards of this community.**

Abandoned Property

Any personal items left abandoned after a student checks out of the residence halls or apartments will be disposed of after five (5) business days or at the close of each semester, whichever comes first.

Balconies (see also Furniture)

Students may not climb up or down from any balcony, or attempt to jump from a balcony, spit and/or throw any object to or from a balcony. Your balcony is considered one of the emergency exits for your room.

- Do not leave trash, empty boxes, etc. on the balconies.
- Do not mount or bolt anything to balcony walls/railings at any time.
- You may have folding "stadium chair" style furniture on the balconies. College furniture must remain in your room and is not to be on the balcony.
- Objects, like blankets, banners, flags, etc. draped over balcony railings, which block balconies from view are prohibited. This would also include, but is not limited to, bicycles, furniture, boxes, trash, etc.

Businesses

Students may not use residence hall rooms or apartments or associated telephone numbers as a place of business, i.e. no "home operated" businesses are allowed in the halls or apartments.

Class Projects

At no time may dangerous projects, or projects that might disrupt the educational nature of the residence halls, be brought into the building. This would include, but not be limited to, biological, chemical, and environmental projects (e.g. animal cadavers, chemistry projects, environmental restoration projects, etc.). If you have questions, please speak with your Area/Residence Hall Coordinator.

Compliance

Students are required to comply the reasonable and lawful requests of any University employee and/or law enforcement agent acting in the performance of his/her duties, including presenting proper identification to those officials upon request (See Page 32, University ID / MavCard Policy). University employees include but are not limited to: All Residence Life staff (Resident Assistants, Senior Resident Assistants, Area Coordinators, Residence Hall Coordinators, Assistant Directors, etc.), University Police, Faculty, Staff, and other Administrators.

Disruptive Behavior (also see Noise and Quiet Hours)

Disruptive behavior is defined as any deliberate action(s) that impedes, obstruct, or interfere with the educational intent of Residence Life and/or the University or which are detrimental to the University's interests, including but not limited to:

- Disrupting the flow of movement of others on campus or in the halls or at University sponsored events
- Intentional disruption of University activities
- Disorderly conduct
- Conducting an activity or acting in such a manner as tends to disturb the peace and order of the University campus, the community, or the public
- Obscene behavior or indecent exposure
- Noise, whether inside or outside your room or hall

Electrical Appliances

Residence Life allows specific size and approved electrical appliances to be used in rooms or apartments. Generally, students may utilize electrical appliances such as: radio, television, personal computer, CD/mp3 player, personal lamps, fan, hair dryer, clock, microwave oven, coffee pot with an automatic shutoff, and compact refrigerator. If you have a question about a particular appliance, please consult your Area/Residence Hall Coordinator. Specific guidelines are below:

- Microwaves: Cannot exceed 850 watts and must be UL approved for both the unit and the power cord.
- Refrigerators: No larger than 5.2 cubic feet, UL approved for both the refrigerator and the power cord, operate on 10 amps or less and may not be self-defrosting. One only per bedroom.
- Prohibited Appliances: To include but not limited to –halogen lamps, heating or cooking appliances with open coils, hot plates, air conditioners, sun lamps, electric blankets, space heaters, hot tubs, deep fat fryers.

Fire Safety

- Candle, incense, or other flammable materials – candles, incense, oil lamps, etc., (generally anything utilizing a wick, flame, or consuming flammable material including such things as decorative candles, potpourri simmer pots, Sterno cans, camp stove fuel, lighter fluid, barbecue grills), are NOT allowed in residence hall rooms or University-owned apartments, to include balconies.
- Construction / Room Modification that Increases Risk of Fire or Reduces Safety - Construction of platforms, room dividers, use of paneling, plywood, barn board or other excessive amounts of wood is not allowed.
- Door Obstructions (i.e., doors must be able to be opened wide) – There must be a clear and easy exit from each room that may be readily located in the case of fire, smoke, sleepiness, intoxication, darkness, or the confusion of an actual emergency situation. Students may not add personal locks to bedroom or suite/apartment doors.
- Egress Obstructions (storage of bikes on balconies, etc.) – There must be a clear and easy secondary exit that may be readily located in the case of fire, smoke, sleepiness, intoxication, darkness, or the confusion of an actual emergency situation.
- Evacuation – All students are expected to respond appropriately whenever a fire alarm is sounded and evacuate immediately. At all times, follow established procedures, including compliance with all instructions from Residence Life staff, University and/or emergency personnel. Evacuation and meeting locations include:
 - Bunting Hall – meet at the west entrance of Grand Mesa hall
 - Garfield Hall – meet between the Maverick Pavilion and Escalante Hall
 - Grand Mesa Hall - meet east of the building next to the Library
 - Monument Hall - meet south of building next to University Center
 - North Avenue Hall - meet north in the parking lot.
 - Orchard Avenue Apartments – meet north near Community Hospital
 - Pinon Hall - meet north in the Parking Garage
 - Rait Hall - meet south of building near University Center
 - Tolman Hall - meet south of the building near University Center Walnut Ridge - meet east between Tolman and Pinon Halls
- Fire Detection/Prevention/Protection Equipment – Fire extinguishers, fire alarms, smoke detectors, sprinklers, fire hoses, building exit signs, fire and emergency doors, and other fire and safety equipment are placed in the halls for the safety of the residents in the building. Misuse of fire and safety equipment is a serious violation of both state and University codes.

Furniture

Students are expected to leave furniture placed by the University in student rooms and floor/building lounges where it is. Moving furniture out of the rooms can create a fire hazard by blocking pathways; moving communal furniture from a lounge decreases the availability for other students. Also, furniture may not be removed from its assigned building/campus as this would be considered theft from the University.

Due to space limitations, room furniture cannot be stored on campus or removed to off-campus locations. Unauthorized removal of University furniture or furnishings from residence hall rooms and lounges is considered theft and is forbidden.

Students are financially responsible for furnishings inventoried in their rooms and will be subject to fines and/or other sanctions levied by the University, and/or action by the civil courts, if furnishings are damaged or missing. Waterbeds, water filled furniture, lofts, hammocks, or similar furniture are not allowed in our halls/apartments. Patio furniture is welcome on the balconies.

Hookahs

Hookah pipes used for smoking tobacco may be kept in the residence halls but must be used at least 40 feet from any building entrance. Hookahs used for anything other than tobacco are subject to confiscation and documentation.

Hoverboards, Scooters, Segways

Hoverboards, self-balancing scooters, battery operated scooters, and hand-free segways are NOT allowed in Residence Halls. Please do not store them in your room or anywhere in the buildings.

Keys (see Unauthorized MavCard Use)

It is your responsibility to keep and properly use the keys issued to you. Do not lend or otherwise permit others to use your keys at any time. Please lock your room at all times, even if you are just heading down the hallway for a moment.

If your keys have either been lost or stolen, please contact a Residence Life staff member immediately. The cost of re-coring the door(s) and cutting new keys may be placed on the students account.

Note: It is your responsibility to keep your keys with you at all times. While the Resident Assistant staff can unlock your door for you if you have forgotten your keys, it is a courtesy – not a primary job function. If the number of requests to be let into your room becomes excessive, you may need to meet with your Area/Residence Hall Coordinator to discuss the matter. A fine may also be imposed.

Laundry Facilities

Each residence hall has free laundry facilities. Use of these facilities is restricted to the residents of the hall. Any problems with the machines should be directed to the Resident Assistant or Area/Residence Hall Coordinator.

Noise (see also Disruptive Behavior, Quiet Hours)

Residents may not make or allow any disturbing noises in the residence halls. Singing, playing a musical instrument, or operating a television, radio, or stereo equipment in a way, and/or at a time, that is objectionable to others is a violation of Residence Life policy requiring sound to be contained. Stereo systems are to be used for the listening enjoyment of students within the confines of their own rooms. Placing speakers or other amplified sound (e.g., bullhorn) on or near window ledges to project sound from open windows is not permitted.

Guidelines for noise also apply to areas immediately surrounding the residence halls. Students should take care not to be loud near the halls, or gather in such numbers where the noise would be problematic.

In most cases, if sound can be heard one door past your room and/or one floor above/below, you are too loud and need to adjust the level accordingly. If noise can be heard outside of an apartment or suite door and/or one floor above/below, you are too loud.

**QUIET HOURS - This is the time that residents in the community can sleep, study, or relax without any excessive noise.

Study-intensive communities may have more restrictive quiet hours.

Painting Rooms

Students may not paint their rooms. However, if they have special problems with the paint in their rooms, they should contact the Area/Residence Hall Coordinator. Students who paint their rooms without permission will be held liable for the cost of repainting the room.

Personal Property

The University's property insurance does NOT include the personal property of the students. The University cannot be responsible for damage or loss of personal property, regardless of cause. Residents are urged to carry their own personal property insurance or to check with their family's policy to see if they are covered for any personal property loss or damage while attending the University.

Pets/Animals (See also Service and Assistance Animals)

A pet is an animal kept for ordinary use and companionship. Due to the living situation, the design of residence halls, and general health and safety concerns, pets, animals, amphibians or reptiles of any kind are prohibited in the residence halls. Students are permitted to have fish in a container no larger than ten (10) gallons. Fish that are dangerous or harmful to humans, or creatures prohibited by state or federal law, are not permitted. Residents with fish must accept full responsibility for care, cleanliness, and any problems that may arise.

Exceptions to this policy are made for students with Service Animals or Assistance Animals approved by Residence Life. All Service Animals and Assistance Animals must be registered with Residence Life prior to move-in. Please see the Service and Assistance Animals section for further information.

Posting Policy (see also Solicitation/Campaigning)

CMU Materials - Campus Organizations, Departments, Faculty & Staff

- General Posters/Flyers:
 - Will accept 100 posters; take to Residence Life
 - One poster/flyer posting per event
 - Maximum two weeks posting time
 - No banners inside residence halls
 - No posters/flyers may be placed on/under the doors
 - No stickers may be applied to any University owned property without proper authorization
 - No stickers may be applied to any facility

Residence Life Materials

- To the individual student & general posters/flyers:
 - On or under doors or in mailboxes, must be approved by the Director or Assistant Director(s) of Residence Life.
- Staff members advertising Residence Life programs or events may post as necessary to get the word out about the event.

NOTE: Posting of materials in windows or the exterior of room doors contrary to the educational mission of Residence Life and Colorado Mesa University is also prohibited. Such items include but are not limited to materials that: promote alcohol use, are obscene, verbally abusive, racially intimidating, or demean another human being.

Quiet Hours (see also Noise, Disruptive behavior)

Because a large number of people live in close proximity in any residence hall, reasonable quiet is expected at all times, in particular, on Sunday through Thursday, between the hours of 10 p.m. and 8 a.m., as well as midnight to 8 a.m. on Friday and Saturday night. Sounds emanating from student rooms and/or public areas must be kept to a minimum to facilitate student studying or sleeping. Quiet hours may be longer (start earlier/run later into the morning) in study intensive communities. Also, each residence hall and/or living unit may establish extended "quiet/study hours." Responsibility for these hours is a shared one. It is your right and obligation to let others know if their activities are annoying you. The Resident Assistants and Area/Residence Hall Coordinators can help, but they alone cannot enforce consideration for others.

Residence Hall Access

(See Keys, Unauthorized Access, Unauthorized MavCard use)

The doors to the residence halls are secured 24 hours every day. After 10pm each evening, all students must enter their building through the main entrance located next to the buildings front desk. Entrance into the halls is only by CMU MavCard. Propping of doors or letting unknown individuals into the residence halls at any time puts the residence hall community at risk and is considered a violation of this policy.

Room and Hall Care

Each student is responsible for the upkeep of his/her room, suite or apartment. Vacuum cleaners and brooms are available in each hall. Students also share responsibility for the common areas in the hall in which they live. Litter, damage (including water damage), or general disregard for hallways, bathrooms, etc., will result in assessments billed to the responsible individual or prorated to the residents who use that space.

Room/Suite/Apartment Changes

An Area/Residence hall Coordinator or the Director of Residence Life (or designee) must approve changes in room assignments before any changes are made. Residence unit change requests will be accepted in the Residence Life office after the third week of classes each semester. A meeting is required before any requests will be processed. Unauthorized changes may result in relocation and/or a fine.

University regulations do not permit room sharing (in which, for example, the assigned occupants of two or more rooms establish shared sleeping arrangements in one room and use the other for recreational space) and the subleasing or unauthorized transfer of room space.

Room Decoration

Rooms may be decorated to suit your tastes, but you are responsible for any damages caused to the room. You may not paint your room and may not use nails, screws, push pins, thumb tacks, or duct tape to affix items to the walls. Students should use only 3M poster strips to attach materials to the walls. You are responsible for the cost of returning your room to its original, move-in condition.

Room Entry

The University may access a student room in a residence hall for improvement, repairs, or routine facilities upkeep. The occupant shall be notified not less than twenty-four (24) hours in advance. Additionally, there may be entry without notice in an emergency where danger to life, safety, health, or property is reasonably feared or when University Officials are in "close pursuit" of a rule or policy violation.

- Maintenance problems in a particular room can be the result of mechanical difficulties in another room. It will sometimes be necessary to enter several rooms in order to handle a particular situation.
- Student requests for repairs constitute authorization for room entry.

University officials may enter a room without the occupants' permission if in "close pursuit" of a rule or policy violation that may affect the health or safety of students. Plain-sight inspection is allowable in such cases. University rule violations

discovered during the course of routine repair work or routine facilities inspections as well as through plain-sight observation resulting from situations covered above, are subject to student conduct or administrative action according to the pertinent University regulations.

Room Inspection and Damage

Before residence units are occupied, they will be inspected and an inventory made of their contents on a room inspection report form. Each student is held financially responsible for the property in and the condition of the room as reported and roommates normally will share the cost of damages and repairs unless individual responsibility is indicated. The room condition report should be carefully reviewed by the student to verify that all items in the room(s) are listed and the condition noted. Changes may be made in the report by the Area/Residence Hall Coordinator only. The report should be signed by the resident and returned to the Resident Assistant within two days of checking in.

When a student vacates a room, the Resident Assistant will check the room and complete the second portion of the room condition report. All damages to the room and/or furnishings (beyond reasonable wear and tear), the cost of missing items, extra cleaning charges, and a prorated share of public area charges will be assessed by the Area/Residence Hall Coordinator and posted to the student's account. An itemized list of assessed charges will be provided to the student.

Assessments are based on a list of charges provided by the Director of Residence Life and the Director of Facilities. Individual assessments are subject to an appeal process, but appeals must be made in writing before the end of the semester following the issuance of the bill. Questions/appeals about assessment charges should be directed first to the Director of Residence Life.

Responsibility for damage or losses in a public area will be assigned to all members of a living unit or subunit if the responsible party cannot or will not be identified. Malicious or intentional damages are cause for disciplinary action and/or action of civil authorities.

Room Responsibility

It is the responsibility of the occupants of a residence facility unit to ensure that all policies of the University are understood and followed. Failure to ensure compliance with policies of the University may result in disciplinary charges against the room occupant(s) as well as the policy violators.

Service and Assistance Animals (See also Pets/Animals)

Colorado Mesa University is committed to reasonably accommodating persons with disabilities who require Service Animals or Assistance (therapy/comfort/emotional support) Animals; however, the University is also mindful of the health and safety concerns of the campus community.

A Service Animal is any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability under the Americans with Disabilities Act (ADA). Service Animals are permitted in any areas of public access on campus and in student residence halls. For more information on Service Animals, please see the Educational Access Services [Service Animals Policy](#). For information on obtaining academic-related disability accommodations, please visit [Educational Access Services](#).

An Assistance Animal provides emotional or other support that minimizes one or more identified symptoms or effects of a person's disability. This group includes therapy animals, emotional support animals, or comfort animals. Assistance Animals are not required to be trained to perform work or tasks and include species other than dogs. Assistance Animals are generally not allowed in any academic or public areas of campus. In some instances, students with disabilities may be allowed to have an Assistance Animal in campus residence halls with prior approval from Residence Life. For the full Service and Assistance Animals policy as it relates to students living in campus residence halls and more information on obtaining approval for an Assistance Animal in campus residence halls, please contact Residence Life.

Signs / Traffic Objects (Barrels, Cones, etc.)

Possession of Federal, State, City and/or County Signs is considered an act of theft and is considered a felony. If you possess any of these types of signs, you could be charged with theft and may face either legal action and/or conduct action.

Neon signs and/or neon decorations are also prohibited as they are considered a safety hazard.

Smoking / Tobacco Use

Students may not smoke or use smokeless tobacco in campus residence halls or apartments, to include the balconies. This includes E-Cigarettes and E-Cigars. The State of Colorado has a smoke free building policy and all facilities at Colorado Mesa University are tobacco free. Students who choose to smoke or use smokeless tobacco must do so in designated areas outside the halls and/or apartments and more than forty (40) feet away from the residence halls and apartments. Possession of tobacco products in the residence halls is not considered a violation.

Solicitation/Campaigning

Solicitation in the residence halls by students, student organizations, and off-campus individuals or organizations is prohibited. Soliciting is defined as door-to-door sales, polling, or the distributing of written materials. Campaigning by federal, state, and local officials, is also not allowed on state property. If you see individual(s) soliciting, or someone comes to your door asking you to purchase something, donate money, vote, etc., please ask them to leave the building and report the incident to any Resident Assistant or other Residence Life staff person.

Campaigning for campus elections, such as Associated Student Government positions may be coordinated through the Director of Residence Life. Note: Residence Life personnel, in the performance of their respective roles, are authorized to distribute materials and information door-to-door.

Theft

The University makes every reasonable attempt to provide a safe and secure environment for its student body, but it cannot be responsible for loss or damage from any cause to the personal property of the residents. It is strongly recommended that each individual provide him/herself with "renter's" insurance coverage for all articles which he/she brings to the University. Students are also encouraged to register their high values items (computers, tablets, gaming systems, iPods, TVs, bicycles, etc) with the Grand Junction Police Department at their on-campus office. Large sums of money and other valuables should not be kept in student rooms. One of the best methods to ensure the safety of personal property is to keep the door to your room locked.

Report any and all thefts, as well as any suspicious and/or criminal activity, to your Area/Residence Hall Coordinator **and** to the Grand Junction Police Department as soon as possible.

Unauthorized Access / Trespassing

(see also Keys, Unauthorized MavCard use)

Students may not enter restricted access areas unless specifically authorized to do so by a University employee. Restricted access areas or improper use may include, but are not limited to:

- Offices, front desks in residence halls, roofs of any campus building, on University/construction equipment, residence halls when unescorted, or after being banned from visiting a residence hall

Vending Machines

Handle vending machines and laundry machines with respect and do not tip, bang, hit or destroy them. If you are having trouble, contact a Resident Assistant or Residence Life to report the problem.

- Lost money in the soda or candy machine? Please go to the Information Desk in the University Center, report the problem, and receive a refund.
- Problem with a laundry machine? Contact your Resident Assistant. They will submit a service request.

Visitation and Guests

Residence Life's policies and procedures related to guests and visitors exist to allow residents to have guests in a manner that does not infringe upon the comfort and rights of other residents and to maintain safety and security in the residence halls.

Definitions:

- A resident is defined as a Colorado Mesa University student entering and exiting a residence hall in which this student resides.
- A guest is defined as any Colorado Mesa University student visiting a residential area that is not their own and/or a non- Colorado Mesa University person visiting a residential area.

Escort

All individuals who are not residents of the halls you are visiting are considered guest(s). Therefore, all guest(s) are to be escorted within the residence hall. To be escorted means that your guest(s) is within your line of sight. This includes, but is not limited to:

- Trips to the restroom in all of the residence halls presuming it is not located within your living unit (You may wait outside while your guest(s) uses the restroom); Entering and exiting the building; Trips to the vending machine; Walking from one room to another; Any other time your guest(s) is present within your residence hall/apartment complex

It is your responsibility to inform your guest(s) that they are not allowed to sleep in the common areas or lounges.

Waterbeds

Because of the undue stress which waterbeds place on the structure of the residence hall and potential for damage that ruptures of such beds present to other residents, the use of waterbeds in residence halls is prohibited. Other devices or appliances that utilize quantities of liquid exceeding 10 gallons (e.g., hot tubs, water coolers, large aquariums) are prohibited for similar reasons.

Weapons

Weapons of any kind, functional or not, may not be carried or brandished on Colorado Mesa University property, which includes, but is not limited to, the residence halls/apartments at any time. If you are in possession or attempt to use any one of

Sexual Harassment

It is the policy of Colorado Mesa University to maintain a campus environment free from sexual harassment. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when submission to or rejection of this conduct explicitly or implicitly affects or interferes with a student's or employee's work or academic performance, or creates an intimidating, hostile or offensive academic or work environment.

Sexual harassment can occur in a variety of circumstances, including but not limited to the following:

1. The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex.
2. The harasser can be another student, staff member, faculty member, or a non-employee.
3. The victim does not have to be the person harassed but could be anyone affected by the offensive conduct.
4. Unlawful sexual harassment may occur without economic injury to the victim.
5. The harasser's conduct must be unwelcome.

Reporting sexual harassment may help you in coping with the situation, as well as assist you with resources to insure that you, and others, can attend University in a safe and comfortable environment. Report any instances of sexual harassment to the Title IX Coordinator, Lowell Heiny Hall 240, or call (970)-248-1266. If the perpetrator of the harassment is another student, please report the incident to the Office of Student Services in Lowell Heiny Hall 107, or call (970)-248-1366, a Residence Life staff member, or the Sexual Assault Response Team at (970) 270-5895.

Sexual Assault

Colorado Mesa University is committed to providing a living environment in which students can live, work, and study free from unlawful sexual contact, intrusion, or penetration.

1. "Sexual contact" means the knowing touching of the victim's intimate parts by the actor, or of the actor's intimate parts by the victim, or the knowing touching of the clothing covering the immediate area of the victim's or actor's intimate parts if that sexual contact is for the purposes of sexual arousal, gratification, or abuse.
2. "Sexual intrusion" means any intrusion, however slight, by any object or any part of a person's body, except the mouth, tongue, or penis, into the genital or anal opening of another person's body if that sexual intrusion can reasonably be construed as being for the purposes of sexual arousal, gratification, or abuse.
3. "Sexual penetration" means sexual intercourse, cunnilingus, fellatio, anilingus, or anal intercourse. Any penetration, however slight, is sufficient to constitute penetration.

If you are the victim of sexual assault, you should immediately take action to preserve any possible evidence. You may also choose to notify the campus Sexual Assault Response Team (SART) or the Vice President for Student Services. Additionally, you may choose to contact the Grand Junction Police Department to report the crime. If you need assistance contacting police, the Sexual Response Assault Team (SART), Vice President for Student Services, or Title IX Coordinator can assist you in contacting law enforcement. Whether or not you choose to notify and seek assistance from campus authorities and/or law enforcement is your decision. The contact information for the above organizations is as follows:

- Grand Junction Police Department - 911 or (970) 242-6707
(Non Emergency) ***YOU MAY CALL AT ANY TIME OF THE DAY OR NIGHT***

- CMU Sexual Assault Response Team - (970) 270-5895 (Confidential and Anonymous Reporting)
- Vice President for Student Services - Lowell Heiny Hall, 107, Phone: (970) 248-1366
- Title IX Coordinator – Lowell Heiny Hall 240, (970) 248-1266

Preservation of Evidence

The preservation of any evidence may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order. Evidence can range from the clothing of the victim to hair samples, bedding, body fluids, bruising, bite marks, electronic communication, and/or photographs. To assist law enforcement in the collection of evidence, the following guidelines are recommended:

- Do not shower
- Do not use the bathroom
- Maintain the clothing worn during the attack separate from other clothing
- Leave bedding material, sheets, blankets, and pillows alone

Sexual Consent

Sexual activity requires consent, which is a voluntary, positive agreement between the participants to engage in specific sexual activity. Any sexual contact (which includes but is not limited to touching of intimate body areas, intercourse, oral sex, and/or penetration) without consent is prohibited.

“Consent” means cooperation in act or attitude pursuant to be an exercise of free will and with knowledge of the nature of the act. A current or previous relationship shall not be sufficient to constitute consent. Submission to sexual activity because of fear does not constitute consent. A previous sexual relationship does not indicate consent to future sexual activity.

Stalking

The term “stalking” is defined as engaging in a course of repetitive conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or to suffer substantial emotional stress.

Domestic Violence

The term “domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

Dating Violence

The term “dating violence” means violence committed by a person:

- Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- Where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship.
 - The type of relationship.
 - The frequency of interaction between the persons involved in the relationship.

Reporting Sexual Misconduct

Colorado Mesa University faculty and staff are required to report any instances of possible sexual assault to the Title IX Coordinator and/or to the Affirmative Action Coordinator, Lowell Heiny Hall 240, or call 248-1266.

If you have experienced unwanted sexual contact, stalking, domestic violence, or dating violence, you can take action by notifying the following:

- Grand Junction Police Department by calling 911 or (970) 242-6707

- CMU Sexual Assault Response Team (SART) by calling (970) 270-5895
- The Title IX Coordinator, or the Vice President for Student Services in Lowell Heiny Hall 107, by calling (970) 248-1366

If you are the victim of sexual assault or another violent crime, a wide array of support services and confidential support services are available to you at no charge. The Sexual Assault Response Team (SART) and the Office of the Vice President for Student Services will provide information on and can assist in obtaining both on-campus and community support services as needed/requested.

Requests for Confidentiality

Colorado Mesa University strongly supports a student's interest in confidentiality in sexual misconduct cases. Requests for confidentiality will be respected to the maximum extent possible. The Title IX Coordinator will normally be responsible for evaluating requests for confidentiality. Complainants should be aware that a request for confidentiality may limit CMU's ability to respond fully to the incident, including pursuing disciplinary action against the alleged respondent. While all efforts will be made to respect requests for confidentiality, confidentiality cannot be guaranteed when other members of the CMU community may be at risk. In those cases, CMU may be required to investigate or take action on the basis of facts it discovers. In instances where it is determined that a request for confidentiality cannot be honored due to an ongoing threat to the campus community, CMU will notify the complainant prior to disclosing his or her identity to the respondent.

Changing Living and Academic Situations

Colorado Mesa University will provide victims of sexual assault, sexual harassment, stalking, domestic violence, and/or dating violence with written notification about options for, and available assistance in, changing academic, living, transportation and working situations. The Offices of the Vice Presidents for Student Services and Academic Affairs or their designees will assist the student with the appropriate accommodations if the student requests them and they are reasonably available. Colorado Mesa University will maintain as confidential any accommodations or protective measures provided, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

Retaliation

Neither the University, nor any officer, employee, nor agent of the institution, may retaliate, intimidate, threaten, coerce, or otherwise discriminate against any individual for exercising their rights to avail themselves of the University's grievance procedures.

Sexual Assault Response Team (SART) (970-270-5895)

The Sexual Assault Response Team (SART) operates under the direction of the Vice President for Student Services. SART team members maintain a 24-hour hotline number where sexual assaults can be reported and/or resources can be discussed. SART advocates assist individuals who report sexual assault in navigating educational issues and connecting them with appropriate resources, to include health care, mental health, academic, living situation, and law enforcement, as appropriate and desired.

Student Code of Conduct and Conduct System

Students are expected to act as a responsible adult and will be held accountable for inappropriate behavior. Colorado Mesa University is a community consisting of students, faculty, support staff, and administrators. The University does not attempt to define all student conduct. It relies on you the student to assume the responsibility and obligation of conducting yourself in a manner compatible with the purpose of the University as an educational institution and the community as a place of learning and residence.

Residence Life has developed Community Standards for the residence halls and apartments that provide a framework to assist with your success in a community living environment. These expectations and subsequent application and enforcement are the responsibility of all members of our residential community. The Community Standards supplement the Student Code of Conduct of Colorado Mesa University and therefore any and all violations could fall in one or both areas. In addition to University rules and regulations, you are subject to the same local, state, and federal laws as non-students and are beneficiaries of the same safeguards of rights as nonstudents.

The academic community has a long and cherished tradition of personal behavior that is in accordance with the highest standards of moral and ethical conduct.

The following are among those acts of misconduct that are not consistent with the educational goals of Colorado Mesa University or with the traditions of the academic community. The following acts are intended to provide guidelines and examples, not prescriptions of behavior, and each individual case will be decided upon its own merits. The Office of the Vice President for Student Services is also available to provide consultations and advocacy on behalf of students seeking more clarity regarding matters of student conduct. Student Services personnel can advise and assist students with unusual circumstances or with problems not addressed elsewhere in the Student Handbook. Normally, misconduct of the following nature is subject to disciplinary sanctions:

	CHARGE TITLE	Definition

The University views violations of the Student Code of Conduct separate from the rule of law, which govern civil and criminal behavior. The University's role in Student Code of Conduct violations is to discipline and educate students, if found responsible for a violation, and not to prosecute students. Student Code of Conduct violations may parallel civil or criminal proceedings; however, student conduct proceedings, the standards of proof required, and the discipline imposed, are not intended to mirror or even remotely resemble, the nature or substance of criminal procedures, criminal standards of proof, or criminal penalties. In fact, proceedings under the Student Code of Conduct may be carried out prior to, simultaneously with, or following civil or criminal off-campus proceedings.

Standard of Proof

The University views violations of the Student Code of Conduct as a civil process and separate from the formal legal proceedings, which govern civil and criminal behavior. As such, determinations of student responsibility shall be made on the basis of the preponderance of the evidence. Preponderance of the evidence is defined as whether it is more likely than not that a student committed the alleged violation(s). Overall, it is the responsibility of the SCO and the Campus Student Conduct Board to evaluate all evidence, statements, and witnesses to ensure every effort is made to arrive at the truth.

Student Conduct Authority

Infractions of University policy governing student behavior should be handled at the first level of authority when possible. If resolution is not achieved at this level, general campus violations should be directed to the Student Conduct Officer (SCO).

Violations involving the Residence Life Community Standards should be directed to the appropriate Residence Life staff member. Generally, University jurisdiction and discipline shall be limited to conduct which occurs on University premises, property owned by the University, all satellite campuses, or at University authorized functions, or that which adversely affects the University community and/or the pursuit of its objectives. In those instances, where a student displays a body of evidence of poor decisions and behavior both in and outside of the classroom, such as academic dishonesty coupled with other student conduct violations, the Vice President for Student Services and the Provost/Vice President of Academic Affairs shall confer on appropriate action.

Student Conduct / Grievance Procedure

1. Any member of the University community may file a complaint against any student ("respondent") for alleged misconduct. Allegations of misconduct should be prepared in writing and presented to the Student Conduct Officer (SCO).
2. The SCO will provide a Notice of Alleged Misconduct to the involved student(s) and conduct an investigation into the matter. If a reasonable basis exists to support an allegation, the respondent student may dispose of the allegation(s) during the course of an Administrative Hearing with the SCO or his/her designee. If the alleged conduct violation fits within the guidelines of a petty offense or a misdemeanor offense as described by Colorado law, the allegation(s) will

be addressed by the Student Conduct Officer. If the alleged conduct violation fits within the boundaries of a felony offense as described by Colorado law or is an assault-related offense, other than a sexual assault, a student may elect to either resolve the allegation(s) during the course of an Administrative Hearing with the SCO, or his/her designee, or during a hearing before a Campus Student Conduct Board. In cases involving allegations of sexual assault, an Administrative Hearing may not be substituted for a Campus Student Conduct Board Hearing.

3. The Campus Student Conduct Board is composed of six (6) members of the campus community including two students, two faculty, and two staff members. Student representation on the Campus Student Conduct Board will consist of Associated Student Government Justices of the Supreme Court. Faculty representatives are appointed by the Faculty Senate and staff representatives are appointed by the Vice President for Student Services.
4. In the event the complaint(s) is based on behavior prohibited by Title IX (i.e., alleged sexual harassment, sexual assault, stalking, dating violence, or domestic violence) the matter will be referred to a specially-trained University-designated Title IX investigator. This investigator shall be assigned by the University's Title IX Coordinator (or designated Deputy Title IX Coordinator). In the instance of a Title IX-related complaint, a Notice of Alleged Misconduct shall be presented to the respondent prior to the commencement of a Title IX investigation.
5. The investigator will commence a prompt, thorough, reliable, and impartial investigation. The investigator will examine all relevant documents and evidence and interview relevant witnesses, including the complainant and respondent.
6. Both the complainant and the respondent will be provided with a draft copy of the final investigation, along with proposed findings by the investigator, so as to provide the opportunity for submission of any clarifications or objections by the parties. Such clarifications or objections shall be submitted in writing within three (3) business days to the Title IX Coordinator, and shall be included unedited as appendices to the final investigative report. In most cases, the investigation will be completed within 60 days of receipt of the complaint. In those cases, involving complaints based on sexual assault, a hearing with the Campus Student Conduct Board is mandatory if there is a reasonable basis by which to support the allegation(s). In most cases, the hearing will be completed within 60 days of receipt of the complaint (i.e., within 20 days of the issuance of a final investigative report). At such hearing, every reasonable effort shall be made to avoid the complainant being directly questioned or cross-examined by the respondent. The Campus Student Conduct Board may permit both the complainant and respondent to submit questions to the opposing party through the Campus Student Conduct Board prior to the hearing, which should be answered by the relevant party in writing prior to the hearing. The Campus Student Conduct Board retains discretion to determine whether the questions submitted are appropriate. If any questions submitted are deemed inappropriate or irrelevant, the Campus Student Conduct Board may choose not to forward such questions to the relevant party.
7. In the case of either an Administrative Hearing or a Campus Student Conduct Board hearing, all allegations and supporting witness statements, evidence, etc., shall be presented in advance to both the respondent and complainant. A hearing shall be called by the Vice President for Student Services (VPSS) in a timely fashion, with reasonable scheduling accommodations made to all involved parties. The VPSS shall also designate one member of the Campus Student Conduct Board as Chairperson for the hearing.
8. Hearings shall be conducted by the Campus Student Conduct Board according to the following guidelines:
 - a. Hearings normally shall be conducted in private and conducted on an informal basis. Every effort will be made to arrive at the truth and to insure a fair hearing without the appearance of a court proceeding.
 - b. Admission of any person to the hearing shall be at the discretion of the designated Chairperson of the Campus Conduct Board after consultation with all involved parties.
 - c. In hearings involving more than one accused student, the Campus Student Conduct Board, at its discretion, may permit the hearings concerning each student to be conducted separately or together, based on the circumstances.
 - d. The complainant and the respondent have the right to be assisted by any advisor they choose, at their own expense. The advisor may be an attorney, friend, family member, etc. However, the complainant and/or respondent is responsible for representing themselves and speaking on their own behalf.
 - e. The advisor may not speak on the student's behalf, but may advise the student.
 - f. The Campus Student Conduct Board, complainant and respondent may present witnesses, who may be subjected to questioning by all involved parties. Pertinent records, exhibits, and written statements may be

accepted as evidence for consideration at the discretion of the Campus Student Conduct Board. To the maximum extent practicable, all available and pertinent records, exhibits, proposed witnesses and written statements shall be presented to all parties in advance of the hearing.

- g. All procedural questions are subject to final decision by the assigned Chairperson of the Campus Student Conduct Board or, in the case of an Administrative Hearing, the Student Conduct Officer. Following the hearing, the Campus Student Conduct Board shall make a determination of responsibility on the basis of whether it is more likely than not that the respondent violated the Student Code of Conduct.
9. Should a student disregard a notice to appear before the Campus Student Conduct Board or the Student Conduct Officer (SCO), the hearing shall continue, a determination of responsibility will be made using the available information and evidence, and sanction(s) will be imposed, as appropriate, if the student is found in violation of the Student Code of Conduct.
10. There shall be a single verbatim record - such as audio/video/written - of hearing proceedings. The record shall be the property of the University.
11. At the discretion of the Vice President for Student Services (VPSS), in extraordinary circumstances an administrative hearing may be held in lieu of a Campus Student Conduct Board (CSCB) hearing, in which case the VPSS or his/her designee shall conduct the hearing, subject to the equivalent guidelines of a CSCB hearing. Such an administrative hearing in lieu of a CSCB shall only be called for in instances whereby (1) a CSCB cannot practicably set a hearing in a reasonable time frame, and (2) material harm/damage may be experienced by one or more parties as a result.

Note: In the event a student decides to leave the University prior to his/her Administrative Hearing or Campus Student Conduct Board Hearing, a Disciplinary Hold shall be placed on the student record and the student will be required to attend said hearing prior to re-admittance to the University.

The following sanction may be imposed upon groups or organizations:

1. Those sanctions listed above, 1 through 7.
2. Deactivation - loss of privileges, including University recognition for a specified period of time.

Interpretation and Revision

Any question of interpretation regarding the Student Code of Conduct shall be referred to the Vice President for Student Services or his/her designee for final determination.

It is reasonable to expect that some students will not agree with established policies; and means to implement change are available to students via student government representation and/or formal proposals for policy change to the University Administration. However, until a particular policy is administratively altered, students are responsible to abide by published policies or risk being held accountable student conduct for misconduct.

The Student Code of Conduct shall be reviewed at least once every five years under the direction of the Vice President for Student Services or his/her designee.
