About This Degree . . .
The Master of Arts in Education, English for Speakers of Other Languages is designed as a dynamic program to meet the needs of education professionals as they gain additional expertise in one or more state endorsement areas. The degree is awarded after successful completion of 35 semester hours. The program is designed to provide the student with eleven hours of core knowledge in theory of curriculum design and assessment, educational technology, culture and pedagogy, and research. The additional coursework allows the student to focus on an English for Speakers of Other Languages (ESOL) concentration.

The program is designed using the cohort model with a group of participants completing all requirements in a two-year cycle. Admission to the program follows the stated guidelines for graduate admission procedures outlined in the university catalog. Additionally, students must provide two letters of reference from the profession and a statement of purpose.
