PETITION FOR IN-STATE TUITION CLASSIFICATION

Instructions to Complete Residency Petition (please keep this instruction page for your records)

Residency for tuition classification in the State of Colorado is governed by Sections 23-7-101 to 104 and 23-7-105 of the Colorado Revised Statutes. Although an individual may be considered a state resident for voting, hunting or other legal purposes after being in the state for a short period of time, the tuition law specifies additional requirements for classification as “in-state” for tuition purposes. The Colorado Commission on Higher Education (CCHE) has prepared detailed information that is available via the Web at http://highered.colorado.gov/Finance/Residency/.

Initially, the Admissions Office classifies tuition for all new students as in-state or out-of-state based on information provided on their admission application. New students who feel their classification is incorrect should contact the Admissions Office as soon as possible. Continuing Colorado Mesa University students who feel they have met residency requirements under Colorado Statute must submit the attached Petition for In-State Tuition Classification with supporting documentation; a change in classification is not automatic. Petitions and supporting documentation must be submitted to the Admissions Office, Attention: Tuition Classification Officer, Colorado Mesa University, 1100 North Avenue, Grand Junction, CO 81501-3122 according to the following deadlines:

* Qualifying Cut-off Date: The date by which the 12-month physical domicile must have expired in order to possibly be classified in-state for the specified term. The 12-month period begins after a student has completed their move to the State of Colorado and has severed ties to their previous state, not merely when a student arrives in Colorado.

** Petition Deadline: The Tuition Classification Officer, located in the Admissions Office, must receive fully completed petitions by the “no later than” date above in order to be considered for the semester in question. Petitions received after this date will not be considered without prior exceptions being granted. Because a 12-month physical domicile must be proven, petitions will not be reviewed prior to the “no earlier than” date above.

PLEASE NOTE THE FOLLOWING:

• Read the entire petition completely; if you have questions, call 970.248.1958
• If an item does not apply, mark “N/A”; if you cannot answer a question, clearly state why not
• Attach all documentation requested – the burden of proof is placed on the student
• If you are unable to attach a required document, clearly state why not
• Before submitting your petition, make certain your signature is notarized; if the Parent(s) Statement for Minor Claiming Emancipation (see last page) is attached as part of a petition, the parent(s) signature must also be notarized

Per Colorado law, tuition classification for students under the age of 23 is determined by the student’s parent. • If the student seeking in-state status is under the age of 23 and is not emancipated as stated above, then the parent must complete this petition and attach their supporting documentation when requested.
• If the student seeking in-state status has a court appointed legal guardian, the legal guardian must complete this petition and attach their supporting documentation when requested.
