ANNOUNCEMENT OF POSITION VACANCY
Technical Instructor, Electrical Construction Technology

RESPONSIBILITIES: Teaching secondary and post-secondary Electrical Construction Technology courses. Duties include teaching, curriculum development, program approval, course/program assessments, course scheduling, class/lab and equipment maintenance, supplies and equipment ordering, recruitment and retention of students, student advising, developing and maintaining program advisory committee, assist with open houses and orientation, maintain intent to graduate forms and other duties as assigned.

REQUIRED QUALIFICATIONS:
• Colorado State Journeyman licensure and five years’ experience
• Basic computer skills and strong communication skills
• Demonstrated teaching/training experience in the field, either in a work training environment or a high school or college environment
• Must possess or be eligible to receive a Career and Technical Education Credential within six months of employment (approximately 40 hours classroom time)
• Must have a strong interest in and commitment to the highest quality laboratory-based teaching, be responsive to changing industry expectations, and support strong industry/community relations

PREFERRED QUALIFICATIONS:
• Colorado Master Electrician licensure with a Bachelor’s degree from an accredited institution in related field and five years’ experience in field. Out-of-state licenses/certifications must be from national reciprocity states to be considered.

Colorado Mesa University is particularly interested in candidates who have experience working with students from diverse backgrounds and who have a demonstrated commitment to improving the levels of access and success for underrepresented students within higher education.

TYPE OF APPOINTMENT: Full-time, faculty appointment to begin August 2, 2016.

SALARY: Commensurate with education and experience. Excellent health and retirement benefits package.

APPLICATION DEADLINE: Open until filled. To ensure consideration, complete applications must be received by June 13, 2016.

APPLICATION: Submit a cover letter describing qualifications and experience as they relate to the specific requirements, responsibilities, and preferences of this position, current resume, a copy of transcripts for all degrees completed (official transcripts will be required upon hire), the names, phone numbers and e-mail addresses of three professional references, and the following completed forms:
• Applicant Authorization to permit Search Committee members to review candidate transcript
• Applicant Authorization and Release to Conduct Reference and Background Check form
• Voluntary Affirmative Action form

Alternatively, electronic applications are accepted at CMUJobs@coloradomesa.edu. If using this method of application, please put the search name in the subject line to ensure that your materials are forwarded to the appropriate search file. Electronic application materials must be submitted as a .pdf or Word document (no size limit). Electronic materials submitted in any other format will not be accepted. Please do not copy and paste application materials into the body of your email; send materials as attachments.

Colorado Mesa University is committed to providing a safe and productive learning and living community. To achieve that goal, we conduct background investigations for all final applicants being considered for employment. Background investigations include reference checks, a criminal history record check, and when appropriate, a financial and/or motor vehicle history. Applicant must be able to verify U.S. employment eligibility. Colorado Mesa University is an Equal Opportunity Employer, committed to a culturally diverse faculty, staff and student body. Women and minorities are encouraged to apply.
