

Agenda
CMU Academic Department Heads
LHH 302
April 17, 2019
3 p.m. to 5 p.m.

I. Updates

- A. Showcase
- B. BOT

II. Retention Committee Potential Recommendations

- 1) Creation of “marker” courses in every program that will help students more readily identify whether they are on track to graduate.
- 2) Creation of alerts to students and advisors when financial aid limits are being approached more rapidly than progress toward degree.
- 3) Creation of (mandatory?) video resources for students that will assist in the usage of registration processes and DegreeWorks.
- 4) Creation of (mandatory?) faculty training on Advise and DegreeWorks.
- 5) Emphasis on advising practices that encourage students to take 15 credits or more each semester.
- 6) Pilots of Supplemental Academic Instruction models in English and mathematics, with a goal to eliminate traditional developmental models by January 2021 (as per pending legislation).

III. Innovation minor/certificate/major potential partners

IV. Exemplary Faculty
