Policy Title: ***Non-traditional Credit Guidelines – Military Credit Limits***

Policy Status: ☐ New

☒ Revision

☐ Supersedes existing policy titled:

☐ Deletion

**Policy Purpose/Reason:** Adjust the “Non-traditional Credit Guidelines” on “Military Credit” from a maximum of 20 credits to a maximum of 30 credits.

**Effective Date of Policy (Note: Enter a date here only if the effective date is not next July 1):**

**Background:** In reviewing the changes that have taken place regarding the maximum credit hours for non-traditional credit, it has been brought to light that military credit is the only category limited to 20 credits. Military students are important to CMU and the credits have been vetted by the American Council on Education (ACE). Extending this maximum brings this category in line with the CLEP, AP, and Competency Credit.

**Definitions:**

**Full Policy Statement:** Military credits (2013-2014 CMU Catalog – page 43)

Military credits – maximum of 30 lower division semester credit hours

**Exclusions or Special Circumstances:** This policy would affect students starting in Summer 2014. Historic data in Banner will not be adjusted. Students wishing to use the policy on credit evaluated prior to Summer 2014 should notify the Transfer Manager in the Registrar’s Office and appropriate adjustments will be made.
