

2022-2023 Faculty Colloquium Series
Monday, October 10, 2022, noon-1pm
Escalante Hall, Room 128

“Participation Motivation of Competitive Collegiate Swimmers”

Mickey Wender

Head Swimming & Diving Coach and Assistant Triathlon Coach

We will examine the individual motivating factors that affect performance in athletics and life. This will be a wide-ranging discussion of motivation and performance referencing my experience as an NCAA head coach (30+ years), Olympic head coach (Beijing 2008), and adventure racer (we will use Discovery Channel footage Eco Challenge 1996).
