

2005 – 06 PETITION/PROGRAM SHEET
Degree: Associate of Applied Science
Emphasis: Radiologic Technology
www.mesastate.edu/schools/sbps/nars/RadTech/radtech.htm

About This Degree . . .

The Radiologic Technology Program at Mesa State College is two years in length and includes classroom studies and clinical experience. Most of the classroom studies are during the fall and spring semesters of the first year of the program. Completing general education or required support courses before beginning the program does not decrease the length of the program. However, it does considerably decrease the semester credit hour load that will be necessary to graduate as proposed. Upon successful completion of the program, the student receives an Associate of Applied Science degree.

All classroom studies are conducted on the Mesa State campus. Clinical experience includes rotations at several clinical facilities throughout western Colorado. The structure of the Radiologic Technology Program requires the student to attend the eight week summer session between the first and second year of study. In addition, sometime during the second year, an eight week rotation in Delta, Montrose, Rifle, or Glenwood Springs is required.

Following successful completion of the Radiologic Technology Program the graduate is eligible to sit for the national registry examination administered by the American Registry of Radiologic Technologists. A passing score on this examination results in the granting of a certificate of registration that allows the privilege to use the title "Registered Technologist" and to use the abbreviation R.T. following the graduate's name.

POLICIES:

1. It is your responsibility to determine whether you have met the requirements for your degree. Please see your MSC Catalog for a complete list of graduation requirements.
2. You must go to the Registrar's Office and fill out the "Intent to Graduate" form **at the beginning of the semester prior to graduating.**
3. This program sheet must be submitted with your graduation planning sheet to your advisor during the **semester prior to graduating, no later than October 1 for Spring graduates, March 1 for Fall graduates.**
4. Your advisor will sign and forward the Program Sheet and Graduation Planning Sheet to the Department Head for signature.
5. Finally, the Department Head or the department administrative assistant will take the signed forms to the Registrar's Office. (Students cannot handle the forms once the advisor signs.)
6. If your petition for graduation is denied, it will be your responsibility to reapply for graduation in a subsequent semester. Your "Intent to Graduate" does not automatically move to a later graduation date.
7. NOTE: The semester before graduation, you will be required to take a Major Field Achievement Test (Exit Exam).

NAME: _____ **STUDENT ID #** _____

LOCAL ADDRESS AND PHONE NUMBER: _____

_____ () _____

I, (Signature) _____, hereby certify that I have completed (or will complete) all the courses listed on the Program Sheet. I further certify that the grade listed for those courses is the final course grade received except for the courses in which I am currently enrolled and the courses which I complete next semester. I have indicated the semester in which I will complete these courses.

RTEC	<u>214</u>	<u>8</u>	_____	_____	_____	_____							

- A cumulative grade point average of 2.0 or higher must be maintained for all courses taken and for the courses which comprise the area of emphasis in RTEC.
- It is recommended that students work closely with a faculty advisor when selecting appropriate courses and scheduling classes.

GENERAL EDUCATION (18 Semester Hours)

English – 6 Semester Hours
ENGL 111 and ENGL 112

Mathematics – 4 semester hours
UTEC 107 or MATH 113

Social and Behavioral Science, Humanities, or Selected Speech Courses – 6 semester hours (See current MSC catalog for the approved list of courses that fulfill this requirement.) PSYC 150 recommended.

Human Performance and Wellness – 2 semester hours
HPWA 100 and one HPWE activity

PREREQUISITES (4 Semester Hours, do not count toward program requirements)

BIOL 209 and BIOL 209L

(Must be successfully completed within a five year period prior to acceptance in the Radiologic Technology Program. If the student is enrolled at the time of application, acceptance into the program will be based upon successful completion of this course. Successful completion means achieving of grade of "C" or higher.)

Associate of Applied Science in Radiologic Technology Course Requirements (57 Semester Hours)

These courses must be completed in sequence and may only be taken after acceptance in the Radiologic Technology Program.

Didactic Courses

RTEC 120 Introduction to Radiologic Technology
RTEC 121 Radiographic Anatomy and Positioning I
RTEC 121L Radiographic Anatomy and Positioning I Lab
RTEC 122 Principles of Radiographic Exposure
RTEC 122L Principles of Radiographic Exposure Lab
RTEC 125 Radiologic Science
RTEC 131 Radiographic Anatomy and Positioning II
RTEC 131L Radiographic Anatomy and Positioning II Lab
RTEC 132 Radiographic Equipment and Special Imaging
RTEC 132L Radiographic Equipment and Special Imaging Lab
RTEC 135 Radiation Biology and Protection
RTEC 251 Radiographic Pathology
RTEC 255 Radiographic Assessment I
RTEC 261 Radiographic Review
RTEC 265 Radiographic Assessment II

Clinical Courses

RTEC 114 Radiographic Clinical Experience I
RTEC 124 Radiographic Clinical Experience II
RTEC 214 Radiographic Clinical Experience III
RTEC 224 Radiographic Clinical Experience IV
RTEC 234 Radiographic Clinical Experience V

SUGGESTED COURSE SEQUENCING FOR A MAJOR IN RADIOLOGIC TECHNOLOGY
