

2006 – 07 PETITION/PROGRAM SHEET
Degree: Associate of Applied Science
Major: Criminal Justice

About This Emphasis . . .

Through a cooperative program with Delta-Montrose Technical College (DMTC), the Colorado State Patrol (CSP) Academy, Western Colorado Community College and Mesa State College, students and completers from these institutions may enroll in an A.A.S. degree program. Students seeking the A.A.S. degree would enroll in the Police Academy Program at DMTC or CSP and then complete the remaining general education courses through Mesa State.

The Criminal Justice A.A.S. degree incorporates instruction in the discipline from the DMTC and the CSP Academy. This instruction utilizes lecture, lab and internships as the primary methods of learning. Students in the AAS degree program must complete the remaining general education requirements.

Upon successful completion of the requirements, the student would be awarded an A.A.S. degree in Criminal Justice by Mesa State College in conjunction with DMTC or CSP. Completion of the A.A.S. degree in Criminal Justice may provide graduates with additional promotional opportunities. Law enforcement agencies in some areas require an A.A.S. degree for entry-level positions.
