About this degree...

Spanish majors at Mesa choose from one of three tracks: Applied Professional, Secondary Teaching Licensure, and Language and Literature. Classes provide knowledge and skills related to effective communication in Spanish as well as an understanding of the relationship of the Spanish language and its cultures to the world in which we live. Applied Professional majors attend classes that strengthen their skills in the professional environment including: Translation, Interpreting, Business Spanish, Spanish for Law Enforcement, and Social Services and Medical Spanish.

Secondary Licensure majors study all aspects of the language and cultures of the Spanish-speaking world and its teaching; including Linguistics, Phonetics and Phonology, Foreign Language Teaching Methodology and The Literatures of Spain and Latin America. They also gain experience through classroom teaching in a variety of classroom environments through Mesa County School District 51.

Spanish Language and Literature majors gain valuable insights into the Spanish language, the Peninsular and Latin-American history and cultures which speak it. In addition, students are provided with an intensive examination of the literatures as seen through the various genres (lyrical, narrative, theatre and film and fiction/non-fiction) as well as the regions where these occur. Graduates work in the secondary schools, in the various businesses and professions requiring Spanish-language skills, or continue their studies in graduate school.

The secondary licensure program provides teacher education candidates a broad field content knowledge in Spanish and prepares them as teachers for grades 7-12. A minimum of 75 credit hours of general education and content area coursework must be completed with a minimum GPA of 2.80 before a candidate may apply for admission to the Center for Teacher Education secondary licensure program. You must be formally accepted into the Teacher Education Program before taking education courses. Please see the Teacher Education Admission Packet for further information on admissions criteria.
