2. Candidates are expected to earn a minimum grade of “B” in all licensure classes, which must be taken in sequence prescribed by the Center for Teacher Education. The licensure sequence is begun during the junior year (usually spring semester), and requires three semesters for completion.
3. Professional dispositions for teaching are measured throughout the licensure sequence and include qualities such as ethical and responsible behaviors, personal presentation, ability to work in collegial capacities, ability to manage time, paperwork and resources, and an aptitude for elevating the academic standing of the Art Education field.
4. Completion of admission to the K-12 Art Licensure program includes:
 - A. All requirements and prerequisite courses are met for the Center for Teacher Education’s application for admission (usually completed during the sophomore year).
 - B. A meeting with Art Education faculty to discuss professional goals and establish a timeline for completion of requirements.
 - C. A Cumulative GPA of 3.0 or better in all studio and art history courses.

5. Art Licensure students are expected to participate in the annual Art Education exhibition in the Johnson Gallery.
6. Art licensure students must pass the PLACE content exam with a minimum score of 220 (out of 300) points prior to student teaching (fee required).

NOTE: Additional fees are required through the licensure program and range from \$200-\$300, covering basic proficiency tests, fingerprinting, and content exam, in addition to the cost of textbooks and art materials.
