**About This Major . . .**

The BA in Kinesiology offers five concentrations: adapted physical education; athletic training; exercise science; K-12 teaching; and sport and fitness management. The major is designed for students interested in these areas as well as preparation for graduate or professional schools. Typical career paths include athletic directors, teachers, coaches, pre-physical therapy, pre-occupational therapy, sport managers, and fitness center workers.

Mesa State students frequently continue their study for graduate or professional degrees at universities widely recognized as top programs in exercise physiology, physical therapy, occupational therapy, physical education, public health, sport management, athletic training, and sport psychology. These include the Universities of Utah, New Mexico, Brigham Young, California State-Chico, Colorado State, Middle Tennessee State, CU-Denver, Regis, Illinois, Louisville, Wichita State, Florida State, St. Augustine, Wyoming, and Northern Colorado.

**POLICIES:**

1. It is your responsibility to determine whether you have met the requirements for your degree. Please see the MSC Catalog for a complete list of graduation requirements.
