About This Major . . .

The Center for Teacher Education offers an innovative, holistic program of study that leads to licensure in Colorado for Elementary Education (grades K-6). At Mesa State, we pride ourselves on the personal touch. Our professors are experienced, knowledgeable, accessible, and intensely dedicated to the improvement of public education.

As a student, you will gradually accumulate over 200 hours of classroom experience before beginning student teaching. The well-regarded Mesa County School District provides opportunities to gain experience with children of all ages and backgrounds in a variety of school settings.

The elementary licensure program provides teacher education candidates a broad field content knowledge and prepares them as teachers for grades K-6. A minimum of 60 credit hours of general education and content area coursework must be completed with a minimum GPA of 2.80 before a candidate may apply for admission to the Center for Teacher Education elementary licensure program.
