About This Major . . .

The Bachelor of Arts in Music with a concentration in Liberal Arts is designed to meet the needs of students seeking extended training in music but who are not interested in pursuing preparation for a career in performance or public/private school music teaching. This degree includes a strong but flexible composite of music studies and additional studies in the related arts as well as the flexibility to pursue other academic areas of interest. They will be prepared to pursue graduate studies in music and careers in many areas of music and the arts.
