Spanish majors at Mesa choose from one of three tracks: Applied Professional, Secondary Teaching Licensure, and Language and Literature.

In addition to the classes providing knowledge and skills related to effective communication in Spanish as well as an understanding of the relationship of the Spanish language and its cultures to the world in which we live. Applied Professional majors attend classes that strengthen their skills in the professional environment including: Translation, Interpreting, Business Spanish, Spanish for Law Enforcement and Social Services and Medical Spanish.

Secondary Licensure majors study all aspects of the language and cultures of the Spanish-speaking world and its teaching as well as Linguistics, Phonetics and Phonology, Foreign Language Teaching Methodology in addition to The Literatures of Spain and Latin America. They also gain experience through classroom teaching in a variety of classroom environments through Mesa County School District 51.

Spanish Language and Literature majors gain valuable insights into the Spanish language, the Peninsular and Latin-American history and cultures which speak it. In addition, students are provided with an intensive examination of the literatures as seen through the various genres (lyrical, narrative, theatre and film and fiction/non-fiction) as well as the regions where these occur.

Graduates work in the secondary schools, in the various businesses and professions requiring Spanish-language skills or, may continue on to graduate school.
