

2008 - 09 PETITION/PROGRAM SHEET

Degree: Associate of Applied Science/Registered Nurse www.mesastate.edu/schools/sbps/nars/LPNtoAASnurs/

About This Degree . . .

This program is designed for Licensed Practical Nurses to achieve an Associate of Applied Science in Nursing Degree, opening up greater employment opportunities, increased compensation, and more job security. The Associate of Applied Science in Nursing program prepares the student to be a technical nurse who has achieved a balance between general college and nursing education. The associate of applied science in nursing RN is prepared to be a direct care giver in hospitals, long-term facilities, and ambulatory care-clinic settings.

The potential student must demonstrate college-level proficiency in reading, writing and mathematics in order to be admitted to this program. This program has selective admission requirements and requirements may change from year to year. It is the student's responsibility to obtain the current admission requirements.

POLICIES:

- 1. It is your responsibility to determine whether you have met the requirements for your degree. Please see your MSC Catalog for a complete list of graduation requirements.
- 2. You must go to the Registrar's Office and fill out the "Intent to Graduate" form at the beginning of the semester prior to graduating.
- 3. This program sheet must be submitted with your graduation planning sheet to your advisor during the semester prior to graduating, no later than March 1 for Fall graduates.
- 4. Your advisor will sign and forward the Program Sheet and Graduation Planning Sheet to the Department Head for signature.
- 5. Finally, the Department Head or the department administrative assistant will take the signed forms to the Registrar's Office. (Students cannot handle the forms once the advisor signs.)
- 6. If your petition for graduation is denied, it will be your responsibility to reapply for graduation in a subsequent semester. Your "Intent to Graduate" does not automatically move to a later graduation date.
- 7. NOTE: The semester before graduation, you will be required to take a Major Field Achievement Test (Exit Exam).

Students should work closely with a faculty advisor when selecting and scheduling courses prior to registration.

 Degree Requirements: 2.00 cumulative GPA or higher in all MSC coursework 2.00 GPA or higher in all prerequisite and nursing courses Pre-collegiate courses (usually numbered below 100) cannot be used for graduation. The general education courses and prerequisites should be completed prior to beginning the NURS courses. Program sheets are for advising purposes only. Because a program may have requirements specific to the degree, check with your advisor for additional guidelines, including prerequisites, grade point averages, grades, exit examinations, and other expectations. It is the student's responsibility to be aware of, and follow, all guidelines for the degree being pursued. Any exceptions or substitutions must be approved by the faculty advisor and/or Department Head. Courses related to teacher licensure must also be approved by the Teacher Education Dept.
