About this degree...

Spanish majors at Mesa choose from one of three tracks: *Applied Professional*, *Secondary Teaching Licensure*, and *Language and Literature*. Classes provide knowledge and skills related to effective communication in Spanish as well as an understanding of the relationship of the Spanish language and its cultures to the world in which we live. Applied Professional majors attend classes that strengthen their skills in the professional environment. Spanish Language and Literature majors gain valuable insights into Peninsular and Latin-American language and literature as well as their histories and cultures.

Secondary Licensure majors study all aspects of the language and cultures of the Spanish-speaking world and its teaching; including Linguistics, Phonetics and Phonology, Foreign Language Teaching Methodology and the literatures of Spain and Latin America. They also gain experience through teaching in a variety of classroom settings throughout Mesa County School District 51.

The secondary licensure program provides teacher education candidates with broad content knowledge in Spanish and prepares them as teachers for grades 7-12. A minimum of 75 credit hours of general education and content area coursework must be completed with a minimum GPA of 2.80 before a candidate may apply for admission to the Center for Teacher Education Secondary Licensure program. Candidates must be formally accepted into the Teacher Education Program before taking education courses. Please see the Teacher Education Admission Packet for further information on admissions criteria.
