The *Denver Post* (2002) recognized the program as the number one college Design/Technical and number two overall theatre training program in Colorado. Offering four distinct concentrations (Acting/Directing, Design/Technical, Music Theatre and Dance) from which to choose. Students acquire a sound understanding of the performing arts in our newly built, state of the art facilities. Dance, the newest concentration in the Theatre Arts at Mesa State College is thriving with an array of dance styles, performance opportunities and travel. Modern, jazz, ballet and tap are offered from beginning to professional levels. Other courses include composition, improvisation, pedagogy, history, music analysis, healthy dancer and repertory performance.

The faculty members have professional backgrounds in all forms of dance and musical theatre. With four dance concerts a year, Mesa State College provides students with a chance to choreograph original works and to dance for and with visiting guest artists from the professional dance world. Mesa State dance students travel throughout the United States to share the art of dance with other universities and colleges. Dance at Mesa State College features courses with an emphasis on positive reinforcement from challenging professors and a strong technical foundation. It is a place where dancers can establish lifelong relationships as they strive for excellence in the art of dance.
