About This Major . . .

The Mesa State College Athletic Training Education Program (ATEP) is accredited by the Commission on Accreditation of Athletic Training Education (CAATE). Students who successfully complete this program will earn a B.S. in Athletic Training and be eligible to sit for the Board of Certification examination leading to national certification as an Athletic Trainer. The ATEP has a competitive entrance standard with application deadlines of December 1st and May 1st of each year. In addition to the traditional professional, college, and high school athletic teams, athletic trainers also work in orthopedic medical clinics and physical therapy clinics. The major is designed for students interested in these areas as well as preparation for graduate or professional schools.

POLICIES:
1. It is your responsibility to determine whether you have met the requirements for your degree. Please see the MSC Catalog for a complete list of graduation requirements.
2. You must turn in your “Intent to Graduate” form to the Registrar’s Office by September 15 if you plan to graduate the following May, and by February 15 if you plan to graduate the following December.
3. This program sheet must be submitted with your graduation planning sheet to your advisor during the semester prior to the semester of graduation, no later than October 1 for spring graduates, no later than March 1 for fall graduates.
4. Your advisor will sign and forward the Program Sheet and Graduation Planning Sheet to the Department Head for signature.
5. Finally, the Department Head or the department administrative assistant will take the signed forms to the Registrar’s Office. (Students cannot handle the forms once the advisor signs.)
6. If your petition for graduation is denied, it will be your responsibility to reapply for graduation in a subsequent semester. Your “Intent to Graduate” does not automatically move to a later graduation date.
7. NOTE: The semester before graduation, you will be required to take a Major Field Achievement Test (exit exam).

NAME: ___________________________ STUDENT ID # ___________________________

LOCAL ADDRESS AND PHONE NUMBER: ___________________________

( ) ___________________________

I, (Signature) ____________________________________________, hereby certify that I have completed (or will complete) all the courses listed on the Program Sheet. I further certify that the grade listed for those courses is the final course grade received except for the courses in which I am currently enrolled and the courses which I complete next semester. I have indicated the semester in which I will complete these courses.

Signature of Advisor Date

Signature of Department Head Date

Signature of Registrar Date
Degree Requirements:

- Must earn 120 semester hours total and meet the academic residency requirements to earn a baccalaureate degree at Mesa State College.
- 40 upper division credits (i.e., 300-level and 400-level courses).
- 2.00 cumulative GPA or higher in all MSC coursework.
- A 2.5 GPA is required in the major courses. A “C” or higher is required in all major courses.
- Pre-collegiate courses (usually numbered below 100) cannot be used for graduation.
- A student must follow the MSC graduation requirements either from 1) the program sheet for the major in effect at the time the student officially declares a major; or 2) a program sheet for the major approved for a year subsequent to the year during which the student officially declares the major and is approved for the student by the department head. Because a program may have general education requirements specific to the degree, the student should check with the faculty advisor for additional criteria. It is the student’s responsibility to be aware of, and follow, all requirements for the degree being pursued. Any exceptions or substitutions must be approved by the student’s faculty advisor and Department Head.
- When filling out the program sheet a course can be used only once. 
- See the “Undergraduate Graduation Requirements” in the Mesa State College catalog for additional graduation information.

GENERAL EDUCATION REQUIREMENTS (31 semester hours)
See the current Mesa State College catalog for a list of courses that fulfill the requirements below. If a course is on the general education list of options and a requirement for your major, you must use it to fulfill the major requirement and make a different selection within the general education requirement.

### Bachelor of Science: Athletic Training 2009-2010 Program Sheet, Page 3 of 3

**Required Related Study Area** (8 semester hours): (Should be completed by the end of the sophomore year.)

- BIOL 209 Human Anat & Physiology 3
- BIOL 209L Human Anatomy & Physiology Lab 1
- BIOL 210 Human Anat & Physiology II 3
- BIOL 210L Human Anatomy and Physiology II Lab 1

**Electives** (All college level courses appearing on your final transcript, not listed above that will bring your total semester hours to 120 hours. (17 semester hours; NO additional upper division hours are needed.)

- MATH 113 College Algebra 1

---

**SUGGESTED COURSE SEQUENCING FOR A MAJOR IN ATHLETIC TRAINING**

This is a recommended sequence of course work. Certain courses may have prerequisites or are offered only during the Fall or Spring semesters. It is the student’s responsibility to meet with the assigned advisor and check the 2 year course matrix on the Mesa State website for course availability.
