

2010-2011 PETITION/PROGRAM SHEET

Degree: Bachelor of Arts Major: Spanish

Concentration: Applied Professional Spanish www.mesastate.edu/academics/programs.html

Spanish majors at Mesa choose from one of three tracks: *Applied Professional, Secondary Teaching Licensure*, and *Language and Literature*. Classes provide knowledge and skills related to effective communication in Spanish as well as an understanding of the relationship of the Spanish language and its cultures to the world in which we live. Secondary Licensure majors study all aspects of the language and cultures of the Spanish-speaking world and its teaching. Spanish Language and Literature majors gain valuable insights into Peninsular and Latin-American language and literature as well as their histories and cultures.

Applied Professional majors attend classes that strengthen their skills in the professional environment including: Translation, (Judicial)Interpreting, Business Spanish, and Spanish for Medical and Social Services.

They also gain experience through internships in a variety of professional settings, including the sheriff's department, the county courthouse and various medical offices.

Students desiring a career in interpreting/translation are well advised to pursue certification at the state or federal level upon graduation.
