

**2010 – 2011 PETITION/PROGRAM SHEET**  
**Minor: Environmental Science and Technology**  
**<http://www.mesastate.edu/academics/programs.html>**

**About This Minor . . .**

Our goal is to educate students in the science, protection, and restoration of our natural resources—air, water, land, and ecosystems. Our students develop a solid foundation in biology, chemistry, geology, mathematics, statistics, and communication skills, then apply this knowledge to the study and solution of environmental problems. We balance theory with hands-on practice, and include considerable work outdoors in our spectacular local environment. Individual and group projects are a key part of our courses. We also have students taking part in work performed through partnerships with organizations such as the Colorado National Monument and the Colorado Division of Reclamation, Mining, and Safety.

The Environmental Science minor is an invaluable asset to students who are majoring in biology, chemistry, or geology and planning to work in the environmental profession.

**POLICIES:**

1. It is your responsibility to determine whether you have met the requirements for your degree. Please see the MSC Catalog for a complete list of graduation requirements.
2. You must turn in your “Intent to Graduate” form to the Registrar’s Office **by September 15 if you plan to graduate the following May, and by February 15 if you plan to graduate the following December.**
3. This program sheet must be submitted with your graduation planning sheet to your advisor during the **semester prior to the semester of graduation, no later than October 1 for spring graduates, no later than March 1 for fall graduates.**
4. Your advisor will sign and forward the Program Sheet and Graduation Planning Sheet to the Department Head for signature.
5. Finally, the Department Head or the department administrative assistant will take the signed forms to the Registrar’s Office. (Students cannot handle the forms once the advisor signs.)
6. If your petition for graduation is denied, it will be your responsibility to reapply for graduation in a subsequent semester. Your “Intent to Graduate” does not automatically move to a later graduation date.
7. NOTE: The semester before graduation, you may be required to take a Major Field Achievement Test (exit exam).

Signature of Department Head \_\_\_\_\_ Date \_\_\_\_\_ 20\_\_\_\_

---

Signature of Registrar \_\_\_\_\_ Date \_\_\_\_\_ 20\_\_\_\_

**Students should work closely with a faculty advisor when selecting and scheduling courses prior to registration.** See the “Undergraduate Graduation Requirements” in the Mesa State College catalog for additional graduation information.

**Minor Requirements:**

- At least 33 percent of the credit hours required for the minor must be in courses numbered 300 or above.
- 2.00 cumulative GPA or higher in the minor is required
- The number of minors a student may receive at Mesa State College shall not exceed two.
- A student must follow the MSC graduation requirements either from 1) the program sheet for the major in effect at the time the student officially declares a major; or 2) a program sheet for the major approved for a year subsequent to the year during which the student officially declares the major and is approved for the student by the department head. Because a program may have requirements specific to the degree, the student should check with the faculty advisor for additional criteria. It is the student's responsibility to be aware of, and follow, all requirements for the degree being pursued. Any exceptions or substitutions must be approved by the student's faculty advisor and Department Head.

**REQUIRED COURSES (15 Semester Hours)**

See the current Mesa State College catalog for a list of courses that fulfill the requirements below. (Either ENVS 104 or ENVS 101/ENVS 105 may be taken for credit, but not both.)

Course No	Title	Sem.hrs	Grade	Term
ENVS 104	Environmental Science: Global Sustainability	3	_____	_____
<b><u>OR</u></b>				
ENVS 101	Introduction to Environmental Science	3	_____	_____
<b><u>AND</u></b>				
ENVS 105	Critical Readings in Environmental Science	1	_____	_____

Select courses from Environmental Science and Technology to bring total semester hours to 15. At least 5 of the semester hours required for this minor must be upper division.

Course No	Title	Sem.hrs	Grade	Term
ENVS _____	_____	_____	_____	_____
ENVS _____	_____	_____	_____	_____
ENVS _____	_____	_____	_____	_____
ENVS _____	_____	_____	_____	_____
ENVS _____	_____	_____	_____	_____
ENVS _____	_____	_____	_____	_____
