

**2011-2012 PETITION/PROGRAM SHEET**  
**Minor: History**

**About This Minor . . .**

The study of history prepares the student for understanding present society and culture through a study of the past. The history program familiarizes students with the great historical civilizations and issues that have shaped our present world. History teaches students how to critically analyze information and make a compelling argument; skills that everyone needs to be successful in all their endeavors. Internships are available through museums, historical societies, and public agencies.
