

2011-2012 PETITION/PROGRAM SHEET
Minor: Spanish

About this Minor . . .

The study of Spanish involves developing skills in speaking and writing Spanish clearly and correctly understanding spoken and written Spanish, , and interpreting cultural characteristics found in Spanish-speaking countries. To earn a minor in Spanish requires that students' skills in these areas reach a significant level, so they will be able to use Spanish effectively in a variety of practical settings.

Coursework for the minor is rigorous, but students are allowed some flexibility to choose classes that best complement their major area of study.
