

About This Degree . . .

This program is designed for Licensed Practical Nurses to achieve an Associate of Applied Science in Nursing Degree, opening up greater employment opportunities, increased compensation, and more job security. The Associate of Applied Science in Nursing program prepares the student to achieve a balance between general college and nursing education. The associate of applied science in nursing RN is prepared to be a direct care giver in hospitals, long-term facilities, and ambulatory care-clinic settings.

The potential student must demonstrate college-level proficiency in reading, writing and mathematics in order to be admitted to this program. This program has selective admission requirements and requirements may change from year to year. It is the student's responsibility to obtain the current admission requirements.

For more information on what you can do with this major, go to <http://www.coloradomesa.edu/career/whatmajor.html>.

All CMU associate graduates are expected to demonstrate proficiency in critical thinking, communication fluency, quantitative fluency, and specialized knowledge/applied learning. In addition to these campus-wide student learning outcomes, graduates of this major will be able to:

1. Utilize critical thinking skills in the application of the nursing process to provide safe quality care by incorporating evidence-based practice (Critical Thinking).
2. Demonstrate effective communication utilizing technology, written documentation and verbal expression (Communication).
3. Incorporate empathetic, compassionate, and caring interventions and behaviors while providing care (Specialized Knowledge).
4. Demonstrate sensitive professional nursing care to culturally diverse clients across the lifespan (Specialized Knowledge).
5. Utilize data to ensure quality improvement and support of evidence-based practice (Quantitative Fluency).
6. Incorporate knowledge of delegation and leadership management skills (Specialized Knowledge).
7. Utilize information systems in the healthcare system (Specialized knowledge).
8. Demonstrate accountability using ethical/legal guidelines and evidence based nursing practice (Applied Learning).

Students should work closely with a faculty advisor when selecting and scheduling courses prior to registration.

Degree Requirements:

- Minimum of 60 semester hours total (A minimum of 16 taken at CMU in no fewer than two semesters).
- 2.00 cumulative GPA or higher in all CMU coursework
- 2.00 GPA or higher in all prerequisite and nursing courses
- Pre-collegiate courses (usually numbered below 100) cannot be used for graduation.
- The general education courses and prerequisites must be completed prior to beginning the NURS courses.
- A student must follow the CMU graduation requirements either from 1) the program sheet for the major in effect at the time the student officially declares a major; or 2) a program sheet for the major approved for a year subsequent to the year during which the student officially declares the major and is approved for the student by the department head. Because a program may have requirements specific to the degree, the student should check with the faculty advisor for additional criteria. It is the student's responsibility to be aware of, and follow, all requirements for the degree being pursued. Any exceptions or substitutions must be approved by the student's faculty advisor and Department Head.
- When filling out the program sheet a course can be used only once.
- See the "Undergraduate Graduation Requirements" in the catalog for additional graduation information.
- 18 credits will be awarded for prior registered nursing coursework according to the Colorado Articulation Model.

POLICIES:

1. It is your responsibility to determine whether you have met the requirements for your degree. Please see your catalog for a complete list of graduation requirements.
2. You must go to the Registrar's Office and fill out the "Intent to Graduate" form **at the beginning of the semester prior to graduating.**
3. This program sheet must be submitted with your graduation planning sheet to your advisor during the **semester prior to graduating, no later than March 1 for Fall graduates.**
4. Your advisor will sign and forward the Program Sheet and Graduation Planning Sheet to the Department Head for signature.
5. Finally, the Department Head or the department administrative assistant will take the signed forms to the Registrar's Office. (Students cannot handle the forms once the advisor signs.)
6. If your petition for graduation is denied, it will be your responsibility to reapply for graduation in a subsequent semester. Your "Intent to Graduate" does not automatically move to a later graduation date.
7. NOTE: The semester before graduation, you will be required to take a Major Field Achievement Test (Exit Exam).
