

2014-2015 PETITION/PROGRAM SHEET

Degree: Associate of Applied Science Major: Wildland Fire Management

About This Major...

This program is designed for students who want the credentials of an Associate Degree combined with the technical training that meets National Wildfire Coordination Group (NWCG) standards. The courses offered align with the NWCG Curriculum.

This degree provides graduates with a competitive advantage in gaining employment in the Wildland fire career market. Graduates are qualified to apply for jobs with the Bureau of Land Management, U.S. Forest Service, National Park Service, as well as state and local wildland firefighting agencies.

For more information on what you can do with this major, go to http://www.coloradomesa.edu/wccc/programs.html

All CMU associate graduates are expected to demonstrate proficiency in critical thinking, communication fluency, quantitative fluency, and specialized knowledge/applied learning. In addition to these campus-wide student learning outcomes, graduates of this major will be able to:

- 1. Demonstrate proficient formal and informal communication and writing skills that are professional in nature (Communication Fluency)
- 2. Apply mathematical concepts required of entry level wildland firefighters. (Quantitative Fluency)
- 3. Demonstrate specialized and holistic knowledge of interagency Wildland Fire Management (Specialized Knowledge)
- 4. Demonstrate proficiency in basic skills required for entry level Wildland Fire Management professionals (Applied Learning)
- 5. Evaluate leadership and ethical issues specific to Wildland Fire Management (Specialized Knowledge)

POLICIES:

- 1. It is your responsibility to determine whether you have met the requirements for your degree. Please see the CMU Catalog for a complete list of graduation requirements.
- 2. You must turn in your "Intent to Graduate" form to the Registrar's Office by September 15 if you plan to graduate the following May, and by February 15 if you plan to graduate the following December.
- 3. This program sheet must be submitted with your graduation planning sheet to your advisor during the semester prior to the semester of graduation, no later than October 1 for spring graduates, no later than March 1 for fall graduates.
- 4. Your advisor will sign and forward the Program Sheet and Graduation Planning Sheet to the WCCC Department Head for signature.
- 5. Finally, the WCCC Department Head will take the signed forms to the Registrar's Office. (Students cannot handle the forms once the advisor signs.)
- 6. If your petition for graduation is denied, it will be your responsibility to reapply for graduation in a subsequent semester. Your "Intent to Graduate" does not automatically move to a later graduation date.
- 7. NOTE: The semester before graduation, you may be required to take a Major Field Achievement Test (exit exam).

SUGGESTED COURSE SEQUENCING FOR A MAJOR IN WILDLAND FIRE MANAGEMENT

The sequence of courses for this program will primarily be determined by the individual and the availability of training courses offered through the NIFC system. Students are encouraged to meet with an advisor at WCCC when this program becomes an interest to the student. The General Education courses that must be taken at WCCC/CMU are generally available each semester. Certain courses may have prerequisites or may require assessment to identify the best starting point for an individual. It is the student's responsibility to meet with the assigned advisor and check the 2 year course matrix on the Colorado Mesa website for course availability.
