

# 2014-2015 PETITION/PROGRAM SHEET

**Degree: Bachelor of Arts**

**Major: Theatre Arts**

**Concentration: Design/Technology**

## About This Major . . .

The Department of Theatre offers one of the most successful theatre training degree programs in Colorado. Students majoring in Theatre Arts choose from four distinct concentrations :Acting/Directing, Design/Technology, Music Theatre or Dance and acquire a sound understanding of the performing arts in newly built, state of the art facilities.

The Design/Technology concentration exposes students to the visual and technical aspects of Theatre, including Costume Design, Scenography, Lighting Design, Sound Design and other theatre technologies. The first year centers on courses that develop aesthetic sensitivity and technical proficiency. Subsequent years are devoted to specialized studio work in the student’s chosen area of concentration. Coursework focuses on functional, expressive, and compositional aspects of design. This foundation is supported by a series of skill related courses in drafting, drawing, and rendering techniques, model making, projection aesthetics, lighting console operation, and computer-aided design. Costume skills courses include costume construction and fitting, fabric painting and fabric dyeing. The program culminates in a final design project during the fourth year.

Students can expect personalized instruction and supervised "hands-on" design experiences that stretch from designs on paper to fully realized productions. Graduates of the Design/Technology concentration will have the necessary skills for success in graduate studies or the professional theatre. For more information on what you can do with this major, go to <http://www.coloradomesa.edu/career/whatmajor.html>.
