

Work Authorization Card Instructions-Firefox

- 1) You need to have the Outlook Email opened from your desktop computer and not through MAVzone. The WAC card **will not** send through MAVzone.
- 2) Open the WAC card link from Payroll's website.

Student Payroll Supervisor Forms

New Student Worker Form

The Work Authorization Card is used to hire student(s) who've not worked for your Org before.

***Please note you have to download and save the WAC card onto your computer and use the saved file to fill out and submit. The file that opens from the link will not allow you to submit. Please see instructions below.**

- 3) The WAC card will open in Adobe and you will want to do a file Save As and save the WAC card on your computer
 - a. If your department hires a lot of student, you can save this file to your computer and use it as a master copy. Then you do not need to go to Payroll's website every time you need to fill out a WAC card for a student.
