Dear President Foster:

This letter serves as formal notification and official record of action taken concerning Colorado Mesa University by the Institutional Actions Council (IAC) of the Higher Learning Commission at its meeting on March 24, 2014.

Action. IAC concurred with the evaluation findings and voted to affirm the recommendation that the institution is limited to the Standard Pathway for reaffirmation of accreditation. Reasons for this limitation may include achievement of initial accreditation within the past ten years, recent removal from a sanction or show cause action, a recent change of control, or a history of monitoring or rapid institutional change.

Attached to this letter is information on your institution's transition to the Standard Pathway. Your institution must affirm its placement on the Standard Pathway by completing and returning the enclosed form within the timeline provided.

The Commission does not make public the Pathway determination or selection. Institutions' Pathway designations will not appear on the *SAS* or *OP*.

If you have questions about your transition to Pathways, please contact Dr. Jeffrey Rosen. On behalf of the Board of Trustees, I thank you and your associates for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Sylvia Manning".

President
