- To determine your CCHE Index you must add together your Index "points" (the yellow bars). The first set of points is determined by your standardized test scores (maroon bar on the left). The second set of points is determined by your overall GPA or class rank (GPA is the maroon bar along the top and Rank is the lighter maroon bar along the top also).

79 Index & lower: Goals Program       80-91 Index: Contact the Admission Office at 800.982.6372 ext. 1875 (toll-free)  
 92 Index & higher: Admissible to Colorado Mesa

- By the time of enrollment, will you have successfully completed full academic years of High School or College in:

**English - 4 years**      **Math - 4 years**      **Science - 3 years**      **Social Studies - 3 years**      **Academic Electives - 2 years**      **Foreign Languages - 1 year**  
 Yes    No      Must be Algebra 1 or higher      Should include at least 2 years of lab-based coursework.      Should include at least 1 year of US History or World History      Courses may come from any academic area already listed or foreign Languages, computer science, art, music, journalism, or drama.       Yes    No  
 Yes    No       Yes    No       Yes    No       Yes    No
