Professional Organizer

Katlin Birdsall, kbirdsall@coloradomesa.edu

Job Description:

I am in need of a marketing professional to create an online presence for my new business. This will entail building a website, setting up/managing social media platforms, creating content for platforms and offering creative advice for basic online marketing campaigns. This will be a part time position that can be done remotely with an expectation to meet bi-weekly in person to discuss progress and future content.
