

Ivy Brianne (Dunn) Price

PhD, OTR

Assistant Professor of Anatomy
Department of Kinesiology
Colorado Mesa University
Grand Junction, CO 81501

Office Phone: 970-248-2005
Email: iprice@coloradomesa.edu

EDUCATION

- Ph.D. University of Florida, Gainesville, FL
Doctor of Philosophy, Anatomical Sciences Education, 2026
- M.S. Columbia University, New York City, NY
Master of Science, Occupational Therapy, 2021
- B.S. California Polytechnic State University, San Luis Obispo, CA
Bachelor of Science, Kinesiology, 2017
Cum Laude

TEACHING EXPERIENCE

- 2026 – Present Assistant Professor of Anatomy
Department of Kinesiology, Colorado Mesa University
PHYT 500: Anatomy (Physical Therapy, Donor Based)
OCTH 513: Functional Anatomy (Occupational Therapy, Donor Based)
PHAS 500: Advanced Human Anatomy Lab (Physician Assistant, Donor Based)
- 2022 - 2026 Graduate Student Teaching Assistant
Department of Physiology and Aging, University of Florida
ICM: Introduction to Clinical Medicine (*Medical MD, Donor Based*)
OTH 6423: Clinical Musculoskeletal Anatomy (*Occupational Therapy, Donor Based*)
DEN 5100C: Gross Anatomy (*Dental, Donor Based*)
PA 5022: Gross Anatomy and Radiographic Anatomy (*Physician Assistant, Donor Based*)
GMS5605: Medical Human Anatomy (*Online Course*)
GMS 5604: Medical Human Embryology (*Online Course*)
GMS 5630: Medical Histology (*Online Course*)
- 2019 - 2020 Graduate Teaching Assistant, Private Tutor
Programs in Occupational Therapy, Columbia University
Human Anatomy Foundations for Occupational Therapy
Neuroscience Foundations for Occupational Therapy
- 2015 - 2016 Undergraduate Teaching Assistant
Allan Hancock College

Human Anatomy and Physiology

PROFESSIONAL EXPERIENCE

- 2022 - 2023 Occupational Therapist
Wildflower Speech and Occupational Therapy, Gainesville, FL
- Provided direct patient care to pediatric patients (ages 0-18) in an outpatient clinical setting.
 - Evaluated patients to assess sensory processing, fine motor skills, visual motor/perceptual skills, and activities of daily living
 - Created treatment plans to promote functional independence and developmental milestones
- 2021 – 2022 Occupational Therapist
Associates in Pediatric Therapy, Nashville, TN
- Delivered patient care to pediatric and adult patients in an outpatient setting (ages 0-30)
 - Assessed and evaluated patients' sensory processing, fine motor skills, visual-motor and perceptual skills, and activities of daily living (ADLs)
 - Developed and implemented individualized, evidence-based treatments to promote functional independence and developmental milestones
 - Educated families and caregivers on strategies for carrying out therapeutic goals in the home setting
 - Collaborated on a multidisciplinary team, including speech and physical therapists, to provide comprehensive care
- 2016 - 2017 Occupational/Physical Therapy Aide
San Luis Sports Therapy, San Luis Obispo, CA
- Assisted therapists in an outpatient hand therapy clinic to evaluate and treat patients with various upper extremity-related impairments
 - Instructed patients through proper form during exercise, provided ergonomic education, utilized physical agent modalities, and maintained a productive workspace for therapists

PEER-REVIEWED PUBLICATIONS

Journal Articles

- 2025 **Dunn, I.B.**, Snyder, D., Griffin, I., Weitzel, S., Sarmiento, I., Downey, D., Adams, A., Rarey, K. E. (2025). A Novel Digital Study Tool: Anatomy Retention and Recall (R&R) Flashcards. *Florida Journal of Educational Research*, 62(1), 22-42.
<https://doi.org/10.62798/AEUW8517>
- Under revisions Walker, A.N., **Price, I.**, Adams, A., Rarey, K.E. (2025). First Years Teaching First Years: Medical Student Perspectives of the Benefits and Challenges of Participating in a Peer Taught Gross Anatomy Course. Submitted to *Anatomical Sciences Education*.

CONFERENCE PRESENTATIONS

Oral Presentations

2026 **Price, I., &** Butaric, L. (2026). The Anatomy of Remediation: Exploring How Occupational and Physical Therapy Anatomy Educators Provide Remediation and Define Student Success. American Association for Anatomy, Anatomy Connected. Albuquerque, NM. April 2026.

Poster Presentations with peer-reviewed, published abstracts

INVITED TALKS AND LECTURES

- Guest Talks Occupational Therapy General Body Meeting. Department of Occupational Therapy. University of Florida. September 23, 2024.
- Anatomy Clerkship Workshops. Department of Anatomy and Cell Biology Retreat. University of Florida. May 2023.
- Guest Lectures *Development of the Musculoskeletal System*. Introduction to Clinical Medicine 2A, Second-Year Medical Students, College of Medicine, University of Florida. September 5, 2025
- Upper Extremity Blood Supply*. Clinical Musculoskeletal Anatomy, First-Year Occupational Therapy Students, College of Public Health and Health Professions, University of Florida. April 15, 2025
- Anatomy of the Retroperitoneal Organs and Posterior Abdominal Wall*. Introduction to Clinical Medicine 2A, Second-Year Medical Students, College of Medicine, University of Florida. November 26, 2024
- Development of the Musculoskeletal System*. Introduction to Clinical Medicine 2A. Second-Year Medical Students, College of Medicine, University of Florida. September 6, 2024.
- Development of the Urinary System*. Introduction to Clinical Medicine 1B, First-Year Medical Students, College of Medicine, University of Florida. May 14, 2024
- Nerves of the Forearm and the Posterior Compartment*. Clinical Musculoskeletal Anatomy, First-Year Occupational Therapy Students, College of Public Health and Health Professions, University of Florida. February 20, 2024.
- Brain and Cranial Nerves*. Introduction to Clinical Medicine 1B. First-Year Medical Students, College of Medicine, University of Florida. November 6, 2023.

PROFESSIONAL CREDENTIALS

- 2023 – 2026 Pure Barre Certified Instructor
 2022 – 2025 State of Florida Board of Occupational Therapy (License No. 23644)
 2021 – Present National Board for Certification in Occupational Therapy, INC.
 Occupational Therapy Registered OTR (Certification #450327)

2021 – Present Adult and Pediatric First Aid/CPR, AED

PROFESSIONAL ASSOCIATIONS

2022 - Present American Association for Anatomy (AAA)

CONTINUING EDUCATION ACTIVITIES

2024 The College Classroom Course – CIRTL Network.

PROFESSIONAL SERVICE

2024 - 2026 Director of Programming and Community Service Advisor
Chi Omega Fraternity Eta Delta Chapter
University of Florida.

2023 - 2026 Graduate Student Representative
Anatomical Sciences Education, Graduate Student Organization
University of Florida.

2018 - 2020 Professional Development Coordinator
Student Occupational Therapy Association (SOTA)
Columbia University.

2016 - 2017 Chapter President
Chi Omega Fraternity Omicron Mu Chapter
California Polytechnic State University San Luis Obispo.

2015 - 2016 Philanthropy Chair
Chi Omega Fraternity Omicron Mu Chapter
California Polytechnic State University San Luis Obispo.

AWARDS AND RECOGNITIONS

2026 Graduate Student Poster Award Finalist. American Association for Anatomy, Anatomy Connected. Albuquerque, NM. April 2026

2020 Robert L. Evander Achievement Award for Academic Excellence in the Sciences.
Department of Occupational Therapy. Columbia University.

CLINICAL FIELDWORK EXPERIENCES

2020 Level II Physical Disabilities: Medicine/Oncology Unit
New York Presbyterian Hospital. New York, NY.
September 2020 – December 2020

Level I Geriatrics

Goddard Lincoln Square Neighborhood Center. New York, NY.
January 2020 – March 2020

Level 1 Pediatrics
Pathways Children’s School. New York, NY.
January 2020 – March 2020

2019

Level II Mental Health: Psychiatry Unit
Bellevue Hospital. New York, NY.
June 2019 – August 2019

Level I Physical Disabilities: Med Surge
Bellevue Hospital. New York, NY.
September 2019 – December 2019

Level 1 Mental Health
Community Access. New York, NY.
March 2019 – May 2019
