

## Quizzes

The Quizzes tool houses online quizzes, exams and tests. While many questions are instantly graded after submission, short and long answer type questions are usually graded manually by your instructor. Quizzes are usually time and date restricted and can be set up with a multitude of options. Learn where and how to access your quizzes or exams in D2L.

## Take a Quiz

1. On the navbar, click **Quizzes**.

2. On the **Quiz List** page, click on the quiz you want to take.

3. Read the Instructions and details for the quiz, and when you're ready, click **Start Quiz!**

### Instructions

Before you submit the quiz, you will have the opportunity to return to questions that you may have missed or have not yet answered. You can submit your quiz responses at any time.

Click "Start Quiz" to begin Attempt 1.

4. Answer each question. Questions are automatically saved as you answer them.

Question 2 (2 points) ✓ Saved

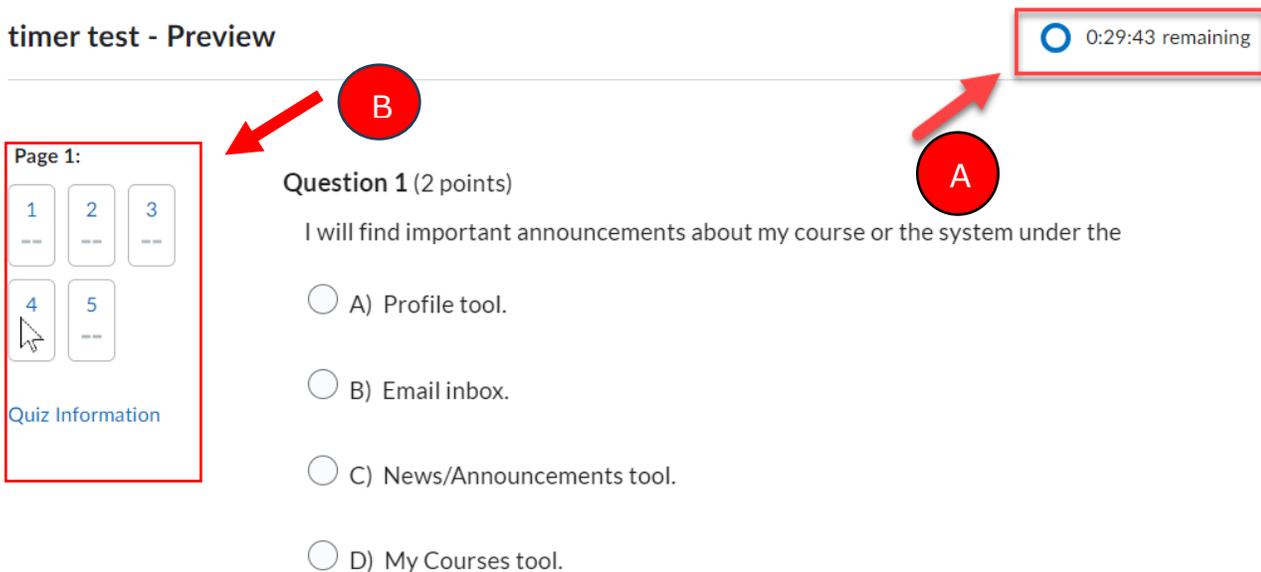

Aurorae are considered to be a form of electricity that can generate up to 900 giga watts of power.

- True  
 False

5. Additional setting may also appear:

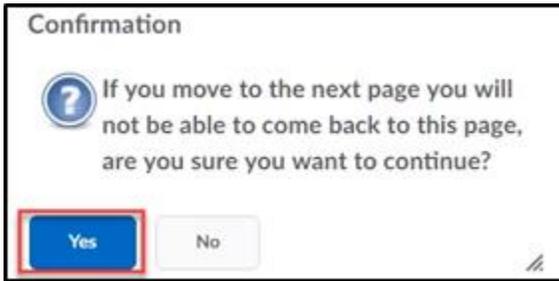

- a. If your quiz is timed, the **time limit** and the **time left** will show in the upper right-hand corner.
- b. An outline showing the number of questions and page structure appear to the left of the quiz questions. You can see which questions you have saved answers to in the **Questions section** of the quiz's left panel. If your instructor has enabled navigation between questions, you can also click the question number in the quiz's left panel to go back to the question.

timer test - Preview

The screenshot shows a quiz interface. At the top right, a timer displays "0:29:43 remaining" with a blue circle icon. On the left side, there is a "Page 1:" section with five question number buttons (1, 2, 3, 4, 5). The number 4 is highlighted with a mouse cursor. Below the buttons is a "Quiz Information" link. In the center, "Question 1 (2 points)" is displayed. The question text is "I will find important announcements about my course or the system under the". Below the question are four radio button options: A) Profile tool., B) Email inbox., C) News/Announcements tool., and D) My Courses tool. A red circle labeled "B" has an arrow pointing to the question number 4 button. Another red circle labeled "A" has an arrow pointing to the timer.

6. In some cases, the quiz may be set up to restrict you from moving backward in a quiz. If so, you will need to confirm that you want proceed to the next page.

7. After you answer all quiz questions, click **Submit Quiz**.
8. A quiz submission confirmation screen will appear, click **Submit Quiz** again to submit your attempt. If there are any unanswered questions, you will be alerted before you submit the attempt.
