Educational Access Services Syllabus Statement

Syllabus statements indicate a faculty member’s willingness to provide reasonable accommodations to a student with a disability. The statement should be an invitation to students who have disabilities to meet with the faculty member, in a confidential environment, to review course requirements and discuss the student’s needs for accommodations. In addition, it makes the students aware that disability-related accommodations are coordinated through Educational Access Services.

Please remember to include this statement on syllabi for online classes.

This is a suggested syllabus statement:

In coordination with Educational Access Services, reasonable accommodations will be provided for qualified students with disabilities. Students should contact Educational Access Services, as soon as possible, at 970-248-1856 or stop in Houston Hall Room 108.
