

Name: \_\_\_\_\_ CMU ID #: \_\_\_\_\_

**IMPORTANT NOTE: This sheet is only a worksheet to track your progress in the CMU/CU-Boulder Mechanical Engineering Partnership Program. An official review of your coursework will be performed by CU administration to ensure completion of all graduation requirements.**

- In order to take any Math, Science or Engineering courses, each listed prerequisite (or an equivalent course) must be completed with a grade of “C” or better.
  - All engineering students must take ENGL 111 and 112 unless they meet or exceed one of the following criteria: ACT ENGL 24 or SAT Verbal 550 or AP English (Lit & Comp or Lang & Comp) 4 or IB English 4.
- Minimum credits to graduate: 128 hrs

**ELECTIVE COURSES:**

**Free Electives:** 2 credits

**Humanities and Social Science:** 15 semester hours (6 hours must be upper division). Check website for complete list of courses. Link given at end of worksheet.

9 semester hours Lower Division Humanities & Social Science  
 SOCI 120 Technology & Society 3 \_\_\_\_\_

6 semester hours Upper Division Humanities & Social Science

**Technical Electives:** 12 semester hours (6 hours MCEN and 6 hours upper division math, science or engineering courses).

MATH 151 (5) for MATH 135 (4)  
MATH 152 (5) for MATH 136 (4)  
CHEM 131 (4) for CHEM 151 (4)  
CHEM 131L (1) for CHEM 151L (1)

### **Humanities & Social Science Electives**

See: <http://www.coloradomesa.edu/engineering/documents/HSSAcceptableClasses-August2015Update.pdf>

### **General Technical Electives**

300 and 400 level courses in the following subjects are considered General Technical Electives: CHEM, CVEN, ENGR, MCEN, MATH, PHYS

### **MCEN Technical Electives**

4000 level MCEN courses not otherwise required for the major are considered MCEN Technical Electives.

### **Grade Requirements**

Beginning with the incoming class of Fall 2016, the minimum passing grade for prerequisite and co-requisite classes in the BSME curriculum is a C. This includes courses completed outside the department (MATH, PHYS, etc.). The minimum passing grade for standalone classes is a D-. In addition, students need to have a cumulative and major GPA of at least 2.25 in order to graduate from the CU Boulder College of Engineering.

### **Free Electives**

College level coursework accepted by CU Boulder not used otherwise to satisfy BSME degree requirements. Use Transferology.com to verify that courses will transfer to CU Boulder.

### **Course Work Not Accepted for Transfer Credit**

The following course work will not be accepted for transfer credit and will not count toward a degree at Boulder:

- any courses in which the grade earned is below a C- (1.70)
- courses identified by CU Boulder as remedial, such as remedial English, mathematics, science and developmental reading
- vocational-technical courses that are offered at two-year and proprietary institutions (exceptions may be granted only by the CU Boulder dean responsible for the student's curriculum—when exceptions appear to be warranted, appropriate department heads make recommendations to their respective deans regarding credit for such courses)
- courses in religion that constitute specialized religious training or that are doctrinal in nature
- credits earned for work experience or through a cooperative education program
- outdoor leadership education course work
- credits earned in physical education activity courses
- courses or programs identified as college orientation
