**General Technical Electives**

300 and 400 level courses in the following subjects are considered to be General Technical Electives: CHEM, ENGR, MCEN, MATH, PHYS

**MCEN Technical Electives**

4000 level MCEN courses not otherwise required for the major are considered to be MCEN Technical Electives.

**Grade Requirements**

Beginning with the incoming class of Fall 2016, the minimum passing grade for prerequisite and co-requisite classes in the BSME curriculum is a C. This includes courses completed outside the department (MATH, PHYS, etc.). The minimum passing grade for standalone classes is a D-. In addition, students need to have a cumulative and major GPA of at least 2.25 in order to graduate from the CU Boulder College of Engineering.

**Free Electives**

Any college level credits not used to satisfy BSME degree requirements.
