- 1) The committee welcomed Cathy Bonan-Hamada (who is filling in for CSMS)
- 2) September 5 meeting minutes reviewed and approved – no corrections
- 3) Discussed Criterion 4 for the upcoming HLC report/visit on November 6:
  - a. Bette will email the HLC report to all committee members, and she asked that we become familiar with it in preparation for the site visit.
  - b. HLC reviewers will likely want to meet with the Assessment Committee on November 6, so we were reminded to keep that date open as much as possible.
- 4) Discussed SLOs for Information Literacy and Ethical Reasoning:
  - a. Bette and Suzanne are in the process of working with Dr. Cynthia Pemberton to implement the Information Literacy SLO.
  - b. Bette and Suzanne discussed the idea/possibility of reframing the Ethical Reasoning SLO to reflect “personal and social responsibility.” This would give programs several options to choose from in their assessment under these concepts (which would still include ethical reasoning as one of the options). Bette and Suzanne plan to discuss this idea more in-depth at the next meeting.
- 5) Assessment Spotlight: the committee nominated the Teacher Education program to be acknowledged for the next spotlight issue. Will discuss this further at the next meeting.
- 6) Next meeting: November 7, 2017, Escalante #101, 4:00pm
