Kayenta Hall, Room 150, 3:30-5:00pm

I. **Announcements**
    A. CIM will close on December 19, 2025, for all proposals. To ensure course changes are reflected for Spring registration (for Fall 2026 courses), the curriculum proposal must be approved at the December 2nd CMU Tech curriculum committee meeting.
    B. It is *strongly* recommended not to wait until the deadline day to submit proposals unless you are positive you have all affected courses and programs submitted. If any components are missing (for example, if a program is affected by a course change and requires a program modification), you will not be able to add them once CIM closes. Proposals with missing items will be rolled back and deferred to the next academic year.
