Information and Business Items

August 23 2018 Meeting

Introductions

Introductions were made. New members include Ann Gillies and John Seebach. Returning members include Lisa Driskell, Eric Elliot, Sean Flanigan, Keith Fritz, Lucy Graham, Geoffrey Gurka, Jennifer Hancock, Glen Hoff, Sarah Lanci, Sam Lohse, Denise McKenney, and Jill Van Brussel. (Note: Starting in October, WCCC CC Vice-Chair Joseph Quesenberry replaced Glen Hoff as the WCCC representative for UCC).

Annual Report Review

Chair Driskell introduced the 2017-18 UCC Combined Curriculum Annual Report. Dodson noted that some revisions were made over the summer based on committee members' feedback. Motion: To approve the 2017-18 Combined Curriculum Committee Annual Report (Werman/Gurka). Motion carried unanimously to approve the 2017-18 Combined Curriculum Committee Annual Report.

Committee Resources Review

Committee resources were presented, including the UCC webpage, curriculum forms and manuals webpage, Curriculum Policies and Procedures Manual, 2018-2019 Curricular Change Forms, UCC Dates and Deadlines Calendar, and CMU Catalog. The committee was reminded that the Undergraduate Curriculum Committee and the Program Sheets for Curriculum Program Modifications folders on the R drive contain important resources.

Dodson informed the committee as to how posted proposals deadlines align with catalog production deadlines. She also showed the committee how to view as well as print or download program sheets in the new CMU Catalog. While program sheet PDFs are still available in 2018-19, these will only be found in the catalog starting in 2019-20.

Committee Processes

Chair Driskell provided an overview of the overall curriculum proposal process. More details can be found in the Curriculum Policies and Procedures Manual. Chair Driskell also introduced the committee to the 2018-2019 UCC Responsibilities Guidelines. Members were told to sign up for a review responsibility category.

September 27, 2018 Meeting

Revenue Form Overview

Whitney Sutton provided an overview of the new Projected Enrollment, Revenue, and Expense Estimates form. This form must be completed and submitted for all program addition proposals.

WCCC CC Process Change Proposal

Brigitte Sundermann presented proposed process changes for the WCCC Curriculum Committee. Motion: To approve the WCCC CC process changes. Motion to approve WCCC CC process changes carried unanimously.

October 25, 2018 Meeting

Information Items

Review of Foundation Hours:

The UCC Executive Committee reviewed the description of foundation hours as described in the Curriculum Policies and Procedures Manual. Based on this conversation, it was determined that explicitly stating the maximum number of allowable foundation hours would help UCC better enforce this rule. Bridge presented this idea to department heads, and no conflicts were identified in clarifying the limits on foundation credits. The committee agreed to return to the issue at a future meeting.

Topics Courses

The Registrar's Office audited topics courses being offered this spring and found that some are being offered more than twice, which is in violation of curriculum policy (page 18 of the Curriculum Policies and Procedures Manual). The committee agreed to discuss methods for stricter enforcement of this rule at a future meeting.

November 18, 2018 Meeting

New and Returning Business

Review of Foundation Courses Text:

The committee reviewed Foundation Course text as presented in the Curriculum Policies and Procedures Manual. It was determined that a limit of 27 hours for Foundation Courses should be specified to better clarify the limits on Foundation Course allowances. This will improve UCC's ability to enforce the current policy and better clarify these limits for proposing parties. Motion: To approve moving forward with the development of text specifying a limit of 27 hours for Foundation Courses (Elliot/Graham). It was decided that a draft of the text will be presented at the December meeting. Motion carried unanimously.

Topics Course Limit:

The committee revisited the discussion on limitations for offering topics courses as outlined in the Curriculum Policies and Procedures Manual. Currently, a topics course may be offered twice before it must no longer be offered or be proposed as a new course. The committee agreed that it would benefit programs and students if the rule were revised as follows:

Topics courses may be offered up to three times within a six-year timeframe, with a new course proposal submission due during the semester of the third

offering. The topic will then no longer be eligible to be offered as a topics course and may only be offered as a standard course.

Motion: To move forward with revisions to the topics course policy as presented in the Curriculum Policies and Procedures Manual (Gurka/Elliot). It was decided that the text will be refined at the December meeting. Motion carried unanimously.

February Meeting Date:

The committee was informed that Bodyfelt and Dodson would be out of town on the scheduled date for the February meeting. Driskell proposed changing the date for this meeting to either March 5th or 7th, and the committee agreed that March 5th would work.

Motion: To move the date of the meeting currently schedule for February 28th to March 5th. There was no further discussion. Motion carried unanimously.

December 13, 2018 Meeting

Announcements

Barbara Borst was introduced as the new Library Representative for UCC.

Unfinished Business

Proposed Foundation Courses Wording:

Continuing from prior discussions, the committee reviewed proposed additional content to add the Foundation Courses text in the Curriculum Policies and Procedures Manual (p. 33). No current wording will be deleted, rather a second paragraph will be added. After discussion, the following wording was agreed upon:

Foundation Courses are limited to a maximum 27 hours, regardless of PTO status. The maximum for Foundation Courses is to ensure that students who transfer internally with an Associate of Arts or Associate of Science degree from WCCC or CMU are able complete the Bachelor's degree with an additional 60 hours. These students will have completed 60 hours, including Essential Learning and Wellness requirements (33 hours), but will be required to take the Essential Learning Capstone (ESSL 290 - Maverick Milestone (3) and ESSL 200 - Essential Speech (1)). Note that non-PTO programs with 27 hours in the Foundation courses will be limited to 56 hours in the major to meet the 120 hour degree requirement.

Motion: To approve the above additional text for Foundation Courses information in the Curriculum Policies and Procedures Manual (Gurka/Lanci). No further discussion. The motion carried unanimously.

Proposed Topics Courses Wording:

The committee reviewed a more refined version of the previously discussed additional text for the Topics Courses information in the Curriculum Policies and Procedures

Manual (p. 18). This will be added to the III.F.2 content already presented in the manual. After discussion, the following wording was agreed upon:

Courses numbered X96 (Topics) with identical or substantially similar content and titles may be offered up to three times within a six-year time frame. If offered a third time, a new course proposal submission for that title and content must be submitted during the semester of the third offering. Whether or not a course addition is approved, the content and title should not then be repeated as a Topics course within six years after the course was last offered. Departments should keep careful records of all Topics courses (including titles and course outlines) to ensure that students taking more than one X96 course aren't merely repeating material for additional credit.

Motion: To approve the above additional text for Topics Courses information in the Curriculum Policies and Procedures Manual (Flanigan/McKenney). No further discussion. The motion carried unanimously.

January 24, 2019 Meeting

Information Item

Dodson discussed progress on the new Curriculum Information Management (CIM) system. We are currently in the development phase, which will be followed by a testing phase in which committee members may be asked to submit test proposals. The testing phase will allow us to experience how the system works and determine if any changes are needed prior to full implementation. It is projected that the new system will be in use starting in the 2019-2020 curriculum cycle.

New Business

Dual-Listed, Equivalent, and Cross-Listed Course Definitions for the Curriculum Policies and Procedures Manual:

Proposed definitions were presented for Dual-Listed, Equivalent, and Cross-Listed courses for inclusion in the Curriculum Policies and Procedures Manual. These are necessary to define as they coordinate with CIM functionalities. Motion: To accept the proposed additional course definitions for the Curriculum Policies and Procedures Manual, which will be proposed for inclusion to the Faculty Senate (Gurka/Lohse). Motion carried unanimously to approve and propose to Faculty Senate definitions for Dual-Listed, Equivalent, and Cross-Listed courses for inclusion in the Curriculum Policies and Procedures Manual.

March 5, 2019 Meeting

The agenda for this meeting was completed over two sessions, one on March 5th and the second on March 7th. Chair Driskell entertained a motion to extend the March 5th meeting by half an hour (Flanigan/Gurka). This motion carried. A subsequent meeting was called for March

7th to complete the remainder of agenda. In the absence of Chair Driskell, Vice-Chair Hancock conducted the March 7th meeting.

Essential Learning Subcommittee Minutes

Chair Driskell introduced the Essential Learning Subcommittee minutes from 12.13.18 and 1.29.19. Motion: To approve the Essential Learning Subcommittee minutes from 12.1.19 and 1.29.19. No discussion. Motion carried unanimously.

March 28, 2019 Meeting

Chair Driskell reminded the committee that any desired changes to the Curriculum Policies and Procedures Manual will need to be approved by UCC at the April meeting and then sent to Faculty Senate for final approval. Committee members were encouraged to review the manual and reach out with any potential changes for inclusion on the next agenda.

April 12, 2018 Meeting

Update on Transition to CIM

Dodson informed the committee that the transition to the new Curriculum Information Management system is on track with plans for implementation for next year's proposal and review cycle. The current forms are still provided online. These may be used to draft proposals for next year, but all proposal details will need to be entered in the new system.

Modifications to the Curriculum Policies and Procedures Manual

Chair Driskell introduced potential revisions for the Curriculum Policies and Procedures Manual. Motion: To approve proposed modifications to the Curriculum Policies and Procedures Manual (Gurka/Lohse). The proposed modifications were discussed, and no objections were noted. Motion to approved proposed modification to the Curriculum Policies and Procedures Manual unanimously carried.

UCC 2018-2019 Annual Report

Chair Driskell presented the UCC 2018-2019 Annual Report. Motion: To approve the UCC 2018-2019 Annual Report. Dodson noted that some corrections have been received and incorporated. Motion to approve the UCC 2018-2019 Annual Report unanimously carried.

UCC 2019-2020 Dates and Deadlines Calendar

Chair Driskell presented the UCC 2019-2020 Dates and Deadlines Calendar. Motion: To approve the UCC 2019-2020 Dates and Deadlines Calendar. Dodson explained that submission by a specific date will no longer qualify a proposal for inclusion on a given agenda. With the transition to the new CIM system, proposals will instead need to reach a specific place in workflow for inclusion. Motion to approve the 2019-2020 UCC Dates and Deadlines Calendar unanimously carried.

Anticipated Membership for 2019-2020

Terms for Elliott, Lanci, and Van Brussel are expiring; however, these members noted that they anticipate returning as representatives for 2019-2020. Quesenberry noted that the WCCC representative may change, dependent on potential modifications to WCCC CC processes.

Officer Elections for 2019-2020

Gurka nominated Chair Driskell to continue to serve as the chair for 2019-20, and Fritz seconded the nomination. There were no further nominations. Driskell was unanimously re-elected as Chair.

Gurka nominated Vice-Chair Hancock to continue to serve as vice-chair for 2019-20, and Fritz seconded the nomination. There were no other nominations. Hancock was unanimously re-elected as Vice-Chair.

September 12, 2018 Meeting

Introductions

Introductions were made. New members include Amanda Benzin, Philip Gustafson, Eli Hall, Tamera Minnick, and Kyle Stone.

Unfinished Business

Chair Heumann re-introduced the 2017-2018 GCC Annual Report. The 2017-2018 GCC Annual Report was approved unanimously.

Committee Processes

Dodson provided an overview of all 2018-2019 GCC resources, including the GCC webpage, curriculum forms and manuals webpage, Curriculum Policies and Procedures Manual, 2018-2019 Curricular Change Forms, GCC Dates and Deadlines Calendar, and CMU Catalog. The committee was reminded that the Graduate Curriculum Committee and the Program Sheets for Curriculum Program Modifications folders on the R drive contain important resources.

November 28, 2018 Meeting

The committee discussed the potential of adding reference to the Graduate Policies and Procedures Manual, Capstone Guidelines Manual, and the Thesis and Dissertation Guidelines Manual on all graduate-level program sheets. It was decided that students should be referred to these manuals via links to the manuals. For Master's and Doctoral program sheets, the text "All policies for graduate degrees are outlined in the [Graduate Policies and Procedures Manual](#), [Capstone Guidelines Manual](#), and [Thesis and Dissertation Guidelines Manual](#), all of which are provided on the [Graduate Studies website](#)" will be added. For Graduate Certificate program sheets, the text "All policies for graduate certificates are outlined in the [Graduate Policies and Procedures Manual](#), which is provided on the [Graduate Studies website](#)" will be added. The motion carried unanimously.

February 13, 2019 Meeting

Election of Vice Chair

Chair Heumann announced that Dr. Sunkel has accepted a position at another institution, subsequently opening the vice-chair seat. The committee nominated Benzin. There were no other nominations. Stone motioned to elect Benzin for the seat and Chovich seconded the motion. Benzin was unanimously elected vice-chair.

March 13, 2019 Meeting

Chair Heumann informed the committee that the prefix for KINE 502, which was approved as a new course on 9.12.18, has been change to ATRN. It was found that KINE 502 was not an available course number, and the department felt that a change to ATRN is appropriate as the course will be used for Athletic Training students. This change was approved by the department, Registrar's Office, and Academic Affairs.

April 10, 2019 Meeting

Year-End Business

The committee discussed potential membership changes for 2019-2020. The 2018-2019 GCC Annual Report was reviewed and approved. The proposed 2019-2020 GCC Dates and Deadlines Calendar was reviewed and approved.

Election of 2018-2019 Officers

Chair Heumann called for nominations for committee chair for 2019-20. Heumann was nominated. No other nominations were offered. Heumann was elected GCC Chair for 2019-2020.
