**V. Information Items**

- A. When submitting a course/program modification, both the changes made and why the changes are needed should be included. There are two boxes for that information in CIM. Several proposals have been returned due to inadequate justification. The justification should be written for both non-departmental and historical readers.
- B. Budget forms must be included for every new program, including minors and certificates or new programs that are repackaging old courses. Contact the budget office to discuss, as soon as a possible
- C. Chair or Vice-Chair approval only for clerical changes needed for CIM/Catalog
- D. Contact AVPAA Bridge before beginning a new program proposal to facilitate the CIM process

E. 48 hours in major Curriculum Manual Policy:

“D. Majors in Bachelor Programs 1. Guidelines for traditional majors: a. Each student must complete at least 36 semester credit hours in a primary discipline and a maximum of 60 semester credit hours with support courses, except as noted above for PTO Programs b. Majors consisting of more than 48 semester credit hours in the primary discipline are permitted only when it can be documented that such programs are consistent with professional accreditation and/or licensure, except as noted above for PTO Programs. c. At least fifty percent of the credit hours required for the primary discipline shall be in courses numbered 300 and above.”
