

**Graduate Curriculum Committee
Meeting Minutes
February 3, 2021
via Zoom from 3-4pm**

Members Present: Amanda Benzin, Cynthia Chovich, Erin Donovan, Philip Gustafson, Scott Kessler, Amanda Lavelle, James Perez, Alli Powell, Kyle Stone, Jun Watabe and Eric Watters.

Members Absent: Josh Butler, Chris Dieni

Ex-officio members present: Maggie Bodyfelt, Barbara Borst, Janel Davis, Morgan Bridge

Guests: Ann McDonald, Blake Bickham, Jeremy Hawkins

Recording Secretary: Aaron Osborne

Vice Chair Amanda Benzin call the meeting to order at 4:01pm

I. New Business

- a. Vice Chair Benzin stated that Scott Bevill is now serving as the Department Head for Computer Science and Engineering and as such can no longer serve as Chair. As such, Vice-Chair Benzin stated the first order of business was the election of a new chair. She opened the nominations and then nominated Cindy Chovich. There were no other nominations. Vice-Chair Benzin called for the vote. Cindy Chovich was unanimously elected Chair Spring 2021. Congratulations and thank you, Chair Chovich for stepping into this position mid-year. Thanks to the Vice-Chair for assuming the Chair responsibilities until a new Chair could be elected.

II. Announcements

- a. The last date for GCC proposals for this year is February 20 to allow time for proposals to reach GCC Exec for the March 3, GCC Meeting, which will be needed this spring. It was reported that Sports Management and Criminal Justice would have course/program modifications in for the next meeting as well as several other graduate proposals already in the que.
- b. Chair Chovich reminded Committee members to use the Reserved Numbering System when adding new courses or implementing program modifications for all graduate programs going forward.

III. Unfinished Business

- a. A summary of the proposed Curriculum Manual Changes was distributed with the agenda. The changes were briefly discussed. Kyle Stone moved and Alli Powell seconded to approve the proposed Curriculum Manual Changes.

IV. Curriculum Proposals

Summary of details and committee actions on curriculum proposals begins on page 3.

V. New Business

- a. Chair Chovich asked for a motion to expediate the GCC minute approval process for this meeting. The Occupational Therapy program needs to go to Faculty Senate and through the rest of the approval processes as soon as possible. Kyle Stone moved and Amanda Benzin seconded to receive the minutes on February 4th by noon and vote on those minutes by February 5th at Noon.

VI. Information Items

- a. None

Adjournment:

With no objections from the committee, Chair Chovich adjourned the meeting at 4:52pm.

Respectfully submitted by Aaron Osborne, February 4, 2021

Programs - Effective Term: Summer 2021

The following is a summary: Additional information can be found on the individual curriculum proposals.

Proposal	Degree	Committee Action	Motion Second
: Occupational Therapy	MSOT	Program Addition - Approved	Gustafson Powell
GCC Discussion: Discussion on the reason for the change from the proposed doctorate approved last year to the Masters in Occupational Therapy. The doctorate program will not be offered. Committee corrected total credit hours based on adjustment to OCCU 543 credit hours. No other discussions.			
Change Item Description	Departmental Justification		
New Proposal: No differences to report	In Spring 2020 the CMU decided to postpone the start of the Occupation Therapy Doctorate Program from January 2021 to January 2022. This postponement was due in large part to the uncertainty of the financial impact of COVID-19. President Foster, Dr. Haas, and Mr. Pinnow, in consultation with Dr. Hawkins, Department Head, Department of Kinesiology, and Dr. McDonald, OTD Program Director, made this decision. In Fall 2020, the same individuals revisited the launch of the OTD program, with encouragement from President Foster to change the program from an OTD to a Master of Science in Occupational Therapy (MSOT). When the development of the OTD program was first proposed, the governing bodies for the practice of occupational therapy had mandated that to enter the profession, a doctoral degree would be required. Since that time, they have backed off on that mandate. Because one can practice occupational therapy with a master's degree, we decided not requiring a degree beyond what practice requires would be a wise move for CMU. As such, the program switched from an OTD to an MSOT. The new courses fall into alignment with master's degree level standards, as does the new program proposal. The doctoral courses are being inactivated because this program will not be offered in the foreseeable future and the courses, in many instances, have duplicate content.		
7202: Education: Educational Leadership (EDLD)	GCT	Program Modification - Approved	Stone Gustafson
GCC Discussion: An adjustment to certificate hours and rearranging of course content due to course inactivation requires adjustments across the program and courses. No other discussions.			
Change Item Description	Departmental Justification		
List all proposed changes to the program:	1) Reduce total hours of program from 26 to 24. 2) Courses EDLD 504, 505, 544 will be deactivated Summer 2022. 3) Add 1 hour to EDLD 515 4) Add 1 hour to EDLD 540 5) Create EDLD 506 (3 credit hours)6) Adjust course sequence according to changes in courses--Also, there was an error in the existing course sequencing listing the 2nd year as a fall semester rather than a summer semester.		
Justify each proposed modification to the program:	Total program hours are being adjusted down to 24 certificate hours (from 26). 24 hours meets the requirements of the State's principal license endorsement and matches competitors' programs. One hour added to EDLD 540 accounts for the inactivation of EDLD 544--converting 2, 2-credit courses to 1, 3-credit course. Add 1 credit to EDLD 515 to meet needs of State Requirements and to allow for more depth in current topics. Create EDLD 506 to replace EDLD 505 and add 1 total hour. Delete EDLD 504 because it does not align with any specific State Standards.		
Describe discussions about this proposal within the department and outcomes.	This change does not impact other departments. All parties within the department have discussed the change and agreed to it.		

8201: Education: Educational Leadership (EDLD) MAEd Program Modification - Approved Stone | Gustafson

GCC Discussion: An adjustment to total program hours and rearranging of course content due to course inactivation requires adjustments across the program and courses. No other discussions.

Change Item Description	Departmental Justification
List all proposed changes to the program:	1) Reduce total hours of program from 38 to 36. 2) Courses EDLD 504, 505, 544 will be deactivated Summer 2022. 3) Add 1 hour to EDLD 515 4) Add 1 hour to EDLD 540 5) Create EDLD 506 (3 credit hours)
Justify each proposed modification to the program:	Total program hours are being adjusted down from 38 to 36 hours. 24 hours meets the requirements of the State's principal license endorsement and matches competitors' programs. One hour added to EDLD 540 accounts for the inactivation of EDLD 544--converting 2, 2-credit courses to 1, 3-credit course. Add 1 credit to EDLD 515 to meet needs of State Requirements and to allow for more depth in current topics. Add EDLD 506 to replace EDLD 505, adding a 3-credit course to replace a 2-credit course. Delete EDLD 504 because it does not align with any specific State Standards.
Describe discussions about this proposal within the department and outcomes.	This change does not impact other departments. All parties within the department have discussed the change and agreed to it.

Courses - Effective Term: Summer 2021

The following is a summary: Additional information can be found on the individual curriculum proposals.

Proposal	Committee Action	Motion Second
EDLD 506: Leadership and Organizational Change	Course Addition - Approved	Stone Watters

Change Item Description	Departmental Justification
New Proposal: No differences to report	Total program hours are being adjusted down to 24 certificate hours (from 26). 24 hours meets the requirements of the State's principal license endorsement and matches competitors' programs. EDLD 506, a 3-credit course, will replace EDLD 505, a 2-hour course which is being inactivated.

EDLD 515: Dynamic School Leadership in a Democratic Society: Introduction to School Administration	Course Modification - Approved	Stone Gustafson
GCC Discussion: An adjustment to a course in response to a change in certificate hours. No other discussions.		

Change Item Description	Old	New
Course description for the catalog (do not list pre-reqs, co-reqs, and terms typically offered):	Study of the nature of educational leadership, administration, and management with reference to current practice at the school building level. Attention will be given to administrative theory and practice, philosophy, and organizational development. Through the examination of leadership, organizational and change models, students will learn how to analyze their school or district using political, structural, human resources and cultural frames.	Study of educational leadership, administration, and management with reference to current practice at the school level. Attention to administrative theory and practice, philosophy, and organizational development. Through examination of leadership and organizational models, students analyze their district using political, structural, and cultural frames. Leadership in democratic society is explored, specifically related to a pluralistic society and a culturally responsive education.
Credit hours:	2	3

Lecture:	2	3
Total Contact Hours:	2	3
Academic engagement minutes per term:		2250
Student preparation minutes for a term:		9000

EDLD 540: School Improvement and Accountability **Course Modification - Approved** **Stone | Gustafson**

GCC Discussion: Credit adjustment in response to course inactivation and adjustment in certificate hours. No other discussions.

Change Item Description	Old	New
Course description for the catalog (do not list pre-reqs, co-reqs, and terms typically offered):	Construction, administration and interpretation of educational assessments for the systematic analysis of student learning and teaching practice. Emphasis on the use and understanding of data analysis to improve teaching and learning in the classroom. Statistical analysis relating to education leadership decision-making applications.	Construction, administration and interpretation of educational assessments for the systematic analysis of student learning and teaching practice. Emphasis on the use and understanding of data analysis to improve teaching and learning in the classroom. Statistical analysis relating to education leadership decision-making applications. Analysis of school culture in high performing schools and problem-solving protocols related to school culture improvement.
Credit hours:	2	3
Lecture:	2	3
Field/Studio/Other:	1	
Academic engagement minutes per term:		2250
Student preparation minutes for a term:		9000

EDLD 544: Strategies in School Improvement **Course Inactivation - Approved** **Stone | Watters**

GCC Discussion: Course content will be incorporated elsewhere in response to certificate hour adjustment. No other discussions.

Change Item Description	Departmental Justification
Delete Proposal: No differences to report	Total program hours are being adjusted down to 24 certificate hours (from 26). 24 hours meets the requirements of the State's principal license endorsement and matches competitors' programs. The program has had several 2-credit courses. We are combining some courses and deleting others in order to reduce the program's total hours by 2. EDLD 544's content will now be incorporated in EDLD 540, which is being increased by 1 credit hour.

OCCU 510: Scholarship and Research		
Course Addition - Approved		
Gustafson Powell		
<p>GCC Discussion: New master program proposal requires new master level courses. Masters courses meet accreditation standards and some mirror doctoral courses created last year for the OTD that was not offered. Committee discussion covered the new entry level master's. No other discussions.</p>		
<p>Change Item Description</p> <p>New Proposal: No differences to report</p>	<p>Departmental Justification</p> <p>This course is part of the curriculum for the new Master of Science in Occupational Therapy program and MSOT degree. Specific accreditation standards will be met by this course necessary for the student to learn how to critically apply the latest research and knowledge bases that support occupational therapy practice. Additionally, this course contributes to the student's growth as a scholar and consumer of research necessary to disseminate research and knowledge of the profession.</p>
