**Motion: to acknowledge the 5/2/16 report of executive subcommittee action (Hancock).** There was no discussion. **Motion carried.**

e. Acknowledgement of program status. A new program was initially approved as “BA, Early Childhood Teaching-Special Education” by UCC on 2/25/16 and Faculty Senate on 4/21/2016. The CMU VPAA and Board of Trustees approved the program as “BA, Early Childhood Education, Special Education Concentration.” The program needs approval from CDE and CDHE before implementation.

**Motion: to acknowledge the status of the BA, Early Childhood Education, Special Education Concentration (Hancock).** There was brief discussion. It was clarified that final approval is still pending at the state level. LaBombard-Daniels will let the committee know when final approval is received. **Motion carried.**

III. **Curriculum Proposals**

(Note Curriculum proposals entertained at August meetings)

The committee was reminded that new curriculum proposals are generally not considered at the August meeting. Members were encouraged to let the chair know in advance of proposals their departments are working on.

IV. **Information Items**
The following items are related to proposals approved during AY 2015-16 with further modifications required:

i. NURS 107L. Existing 2 credit hour course. Course modified on 2/25/2016. Dept. intends for course to be 3 credit hour course but an increase in credit hours was not included in the proposal. Course is listed as 3 credit hour course on the program sheet.

ii. The Health Sciences department realized different implementation dates were needed on a variety of their course changes from Spring 2016 after UCC approval. The department will submit a request to change effective dates for the appropriate courses, which will include the dates originally approved.

This new program was approved by CMU BOT, May 2016. During June 2016, Dr. Hofer, Department Head of Music, realized that the correct interpretation of NASM accreditation degree standards required removing “Entrepreneurship” from program title. Documents worked on over the summer referenced the program as:

Music with Elective Studies in Business*
*Program name pending final approval from CMU Board of Trustees

The department will submit a program modification to officially change the program name.

Chair Kessler clarified that the above information items do not require committee action at this meeting, but are related to issues that arose since the last meeting regarding recently approved proposals. It is hoped that including items in this section of the agenda will help to ensure that resolution occurs.

c. New item: discussion of separate catalog course descriptions for labs
