35. Minor Business: M130
36. Minor Computer Information Systems: M751

D.) Computer Science, Mathematics and Statistics

Program Addition

37. BS Mathematics - Applied Mathematics

Course Additions

38. MATH 150 Topics and Careers in Mathematics
39. MATH 366 Methods of Applied Mathematics II
40. MATH 466 Methods of Applied Mathematics III

Course Modifications

41. MATH 225 Computational Linear Algebra
42. MATH 325 Linear Algebra I
43. MATH 460 Linear Algebra II
44. STAT 425 Design and Analysis of Experiments

Program Modifications

45. BS Mathematics-Mathematics: 3424
46. BS Mathematics-Secondary Education: 3430
47. BS Mathematics-Statistics: 3434
48. Minor Statistics: M465

E.) Health Sciences

Program Addition

49. BS Radiologic Sciences

Course Additions

50. RADS 320 Introduction to Radiologic Technology and Patient Care
51. RADS 320L Introduction to Radiologic Technology and Patient Care Lab

52. RADS 321 Radiographic Anatomy and Positioning I
53. RADS 321L Radiographic Anatomy and Positioning I
54. RADS 322 Principles of Radiographic Exposure
55. RADS 322 L Principles of Radiographic Exposure Lab
56. RADS 323 Digital Imaging
57. RADS 329 Radiographic Clinical Experience I
58. RADS 331 Radiographic Anatomy and Positioning II
59. RADS 331L Radiographic Anatomy and Positioning II Lab
60. RADS 332 Specialized Imaging
61. RADS 333 Imaging Equipment and Quality Assurance
62. RADS 333L Imaging Equipment and Quality Assurance Lab
63. RADS 334 Image Analysis I
64. RADS 335 Radiation Biology and Protection
65. RADS 339 Radiographic Clinical Experience II
66. RADS 354 Image Analysis II
67. RADS 449 Radiographic Clinical Experience III
68. RADS 451 Imaging Pathology
69. RADS 452 Sectional Anatomy
70. RADS 453 Advanced Patient Care
71. RADS 459 Radiographic Clinical Experience IV
72. RADS 461 Principles of Computed Tomography
73. RADS 462 Leadership and Management
74. RADS 463 Information Literacy in Radiologic Sciences
75. RADS 464 Senior Capstone
76. RADS 469 Radiographic Clinical Experience V

#### Course Deletions

77. RTEC 114 Radiographic Clinical Experience I
78. RTEC 120 Introduction to Radiologic Technology and Patient Care
79. RTEC 121 Radiographic Anatomy and Positioning I
80. RTEC 121L Radiographic Anatomy and Positioning I Lab
81. RTEC 122 Principles of Radiographic Exposure
82. RTEC 122L Principles of Radiographic Exposure
83. RTEC 123 Digital Imaging
84. RTEC 124 Radiographic Clinical Experience II
85. RTEC 131 Radiographic Anatomy and Positioning II
86. RTEC 131L Radiographic Anatomy and Positioning II Lab
87. RTEC 133 Imaging Equipment
88. RTEC 133L Imaging Equipment Lab
89. RTEC 135 Radiation Biology and Protection
90. RTEC 214 Radiographic Clinical Experience III
91. RTEC 224 Radiographic Clinical Experience IV

- 92. RTEC 234 Radiographic Clinical Experience V
- 93. RTEC 251 Radiographic Pathology
- 94. RTEC 255 Radiographic Assessment I
- 95. RTEC 261 Radiographic Review
- 96. RTEC 265 Radiographic Assessment II

F.) Health Sciences - Nursing

Course Modification

- 97. NURS 107L Foundations of Nursing Laboratory

G.) Physical and Environmental Sciences

Course Modifications

- 98. CHEM 321 Physical Chemistry I
- 99. CHEM 322 Physical Chemistry II
- 100. ENVS 221L Science and Technology of Pollution Control Lab
- 101. ENVS 340 Applied Atmospheric Science
- 102. ENVS 420 Pollution Monitoring and Investigation
- 103. ENVS 420L Pollution Monitoring and Investigation Laboratory

Program Modification

- 104. BS Environmental Science and Technology: 3443

H.) WCCC-Office Administration
