- iii. Catalog Description Request for MUSL entries
 - 1. In previous years, there was a single catalog description to describe all applied music lessons with the MUSL prefix. That description does not appear in the most recent years' Catalog, presumably due to error/omission. The department would like to add back the catalog description for the MUSL courses, as follows:
 - Development of individual music performance skills through weekly lessons. Available to all students and may be used as an elective choice to students concurrently enrolled in a MUSP course. Lessons may be taken twice at each level. Music majors are required to attend and perform at weekly recitals as a component of applied music lessons. An instructional fee is required.
